Nobodys Cuter Than You A Memoir About The Beauty Of Friendship:

Nobody's Cuter than You Melanie Shankle, 2015-04-07 There is nothing as precious in life as a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we've substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It's showing up laughing loud and crying hard It's forgiving and loving and giving the benefit of the doubt It's making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room* *Nobody's Cuter than You* is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say Nobody's cuter than you

The Big Mama Collection: Sparkly Green Earrings / The Antelope in the Living Room / Nobody's Cuter than You Melanie Shankle, 2017-09-05 This collection bundles all 3 of popular author Melanie Shankle's previous books together in one e book for a great value *Sparkly Green Earrings* There is really no better indicator you're a mother than acquiring the ability to catch throw up in a plastic bag disinfect your hands and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood Written in the familiar stream of consciousness style of her blog *Big Mama* *Sparkly Green Earrings* is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out Filled with personal stories from the decision to become a mother to the heartbreak of miscarriage and ultimately to the joy of raising a baby and living to tell about it *Sparkly Green Earrings* will make you feel like you're sitting across the table from your best friend A must read for anyone who's ever had a child or even thought about it *The Antelope in the Living Room* Welcome to the story of a real marriage Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on It is the joy of knowing there is someone to share in your joys and sorrows and the challenge of living with someone who thinks it's a good idea to hang a giant antelope head on your living room wall In *The Antelope in the Living Room* New York Times best selling author and blogger Melanie Shankle does for marriage what *Sparkly Green Earrings* did for motherhood makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage *Nobody's Cuter than You* There is nothing as precious in life as

a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we've substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It's showing up laughing loud and crying hard It's forgiving and loving and giving the benefit of the doubt It's making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room* *Nobody's Cuter than You* is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say *Nobody's cuter than you*

On the Bright Side Melanie Shankle, 2020-02-25 Big Mama blog founder and New York Times bestselling author Melanie Shankle helps us sort through our questions about being true to ourselves in a world gone crazy and what matters the most in the end These days so many voices tell us what to do what to think and what kind of parent or friend or spouse to be that it's easy to feel overwhelmed and defeated Somewhere in the midst of online arguments and crazy politics and the ups and downs of life we've lost sight of the gifts that are all around us kindness love mercy and joy In *On the Bright Side* Melanie Shankle reminds us of the unchanging principles we can count on in a changing world These are lessons that Melanie has learned along the way about how to find all the joy that life has to offer and why encouragement is never something to keep to ourselves Melanie invites us to lead with love in all areas of our lives exploring topics such as Finding your people Giving up on comparing and competing Aging kind of gracefully Believing in ever after Staying mostly sane while raising kids Thinking before speaking Making decisions And more This delightful memoir highlights the joys of life told in Melanie's down to earth relatable and totally enjoyable style *On the Bright Side* is a how to guide to knowing and living what matters most

Ameura's Story Judy Ingram, 2013-05 Ameura a high school senior who is insecure a little over weight and still a virgin cannot believe that the

king of popularity Vincent Valmont wants to date her She is leary of his invitation but accepts it with her guard up Vincent on the other hand had been praying for a girl with the special qualities Ameura doesn't realize she has It is not long before they fall in love and begin making plans for the future But when Vincent is killed by a drunk driver on prom night Ameura's life begins spiraling downward into the depths of despair Ameura is hurled into a severe depression and her doctor prescribes pills to alleviate her pain Desperate to escape her grief Ameura accepts a friend's offer to try methamphetamine it isn't long before she finds herself selling her body on the street to fuel her addiction Unknowingly she becomes addicted to them wanting more and more But when she accidentally overdoses and collapses on the nasty bathroom floor of a gas station Ameura is forced to face the deadly consequences of her choices Ameura's Story How she chose Life over Death is a poignant inspiring tale of a teenager's struggle with addiction as she is led on an incredible journey through loss heartbreak and forgiveness as she ultimately witnesses God's love in the most miraculous of ways B as in Beauty Alberto Ferreras,2009-04-24

Everyone in the world it seems is either prettier or thinner or both than Beauty Marie Zavala And the only thing B resents more than her name is the way others judge her for the extra 40 pounds she can't lose At least she has her career Or did until she overhears her boss criticizing her weight and devising a scheme to keep her from being promoted Enter B's new tax accountant a modern day matchmaker determined to boost B's flagging self esteem by introducing her to rich successful men who will accept her for who she is As B's confidence blossoms so do her fantasies of revenge But will B find true happiness or true disaster when she unwittingly falls for the one guy she shouldn't **Calamity Jayne and the**
