Preaching Christ from Leviticus Sidney Greidanus, 2021-03-11 For pastors who take seriously the commitment to incorporate the entire Bible into their preaching Sidney Greidanus s books on preaching Christ from the major genres of the Old Testament have been a welcome gift In his last such volume Greidanus engages with the Old Testament genre of law and treats a book that is often seen as the most challenging of all Leviticus Preaching Christ from Leviticus reminds pastors and congregations that key christological themes priesthood sacrifice atonement holiness first originated in Leviticus before they

came to full flower in the New Testament with the atoning sacrifice of Jesus Christ and his call to holiness Greidanus provides the basis for fully understanding these and other themes with an exacting analysis of Leviticus and then provides the foundations for ten sermons on Leviticus through topics such as the burnt offering the ordained priesthood the day of atonement the sabbatical year and the year of jubilee as well as the commandments to be holy to love your neighbor and to love aliens and enemies Daniel's Fourth Kingdom Melvin L. Hawkins LLC,2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ the century old traditional interpretation holds that Daniel s fourth gentile kingdom the Roman Empire ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven year tribulation period That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times Peters forewarned about this potential interpretation problem in *The Theocratic Kingdom* 1884 Daniel s Fourth Kingdom 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ s return 2 respectfully questions the traditional interpretation 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel inspired Holy Spirit empowered love driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture and 4 invites all readers believers and skeptics alike to consider the relevance of the Bible concerning world history current events and the future **The Preaching of Daniel Thambirajah (D.T.) Niles** Dandapati Samuel Satyaranjan,2009 Daniel Thambirajah Niles 1908 1970 Sri Lankan theologist *Christocentric Preaching Meets the Historical Jesus* Devon Duffield,2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and

not more Theocentric *The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens* Dean R. Ulrich, 2015-08-17
In *The Antiochene Crisis and Jubilee Theology in Daniel's Seventy Sevens* Dean R. Ulrich explores the joint interest of Daniel 9 24 27 in the Antiochene crisis of the second century B C E and the jubilee theology conveyed by the prophecy's structure. This study is necessary because previous scholarship though recognizing the jubilee structure of the seventy sevens has not sufficiently made the connection between jubilee and the six objectives of Daniel 9 24. Previous scholarship also has not adequately related the book's interest in Antiochus IV to the hope of jubilee which involves the full inheritance that God has promised to his people but that they had lost because of their compromises with Antiochus IV.

Preaching Christ from Psalms Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical, theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context.
