Set Six Joseph Conrad:

A Set of Six by Joseph Conrad Joseph Conrad, 2009-03-03 A SET OF SIX Joseph Conrad Joseph Conrad, 2020-04-20
This collection of stories A Set of Six was one assembled by the author during his lifetime **Collected Edition of the Works of Joseph Conrad** Joseph Conrad, 1971 *The Works of Joseph Conrad* , 1923 **The Works of Joseph Conrad** Joseph Conrad, 1921 *A SET OF SIX JOSEPH CONRAD Large Print* Joseph Conrad, 2020-04-22 *A Set of Six by Joseph Conrad Large Print* *The Works of Joseph Conrad* Joseph Conrad, **The Works of Joseph Conrad: A set of six** Joseph Conrad, Ford Madox Ford, 1920 **A Set of Six by Joseph Conrad** Joseph Conrad, Judy Boss, 2018-02-23 The six stories in this volume are the result of some three or four years of occasional work The dates of their writing are far apart their origins are various None of them are connected directly with personal experiences In all of them the facts are inherently true by which I mean that they are not only possible but that they have actually happened For instance the last story in the volume the one I call Pathetic whose first title is Il Conde misspelt by the by is an almost verbatim transcript of the tale told me by a very charming old gentleman whom I met in Italy I don't mean to say it is only that Anybody can see that it is something more than a verbatim report but where he left off and where I began must be left to the acute discrimination of the reader who may be interested in the problem I don't mean to say that the problem is worth the trouble What I am certain of however is that it is not to be solved for I am not at all clear about it myself by this time All I can say is that the personality of the narrator was extremely suggestive quite apart from the story he was telling me I heard a few years ago that he had died far away from his beloved Naples where that abominable adventure did really happen to him Thus the genealogy of Il Conde is simple It is not the case with the other stories Various strains contributed to their composition and the nature of many of those I have forgotten not having the habit of making notes either before or after the fact I mean the fact of writing a story What I remember best about Gaspar Ruiz is that it was written or at any rate begun within a month of finishing Nostromo but apart from the locality and that a pretty wide one all the South American Continent the novel and the story have nothing in common neither mood nor intention and certainly not the style The manner for the most part is that of General Santierra and that old warrior I note with satisfaction is very true to himself all through Looking now dispassionately at the various ways in which this story could have been presented I can't honestly think the General superfluous It is he an old man talking of the days of his youth who characterizes the whole narrative and gives it an air of actuality which I doubt whether I could have achieved without his help In the mere writing his existence of course was of no help at all because the whole thing had to be carefully kept within the frame of his simple mind But all this is but a laborious searching of memories My present feeling is that the story could not have been told otherwise The hint for Gaspar Ruiz the man I found in a book by Captain Basil Hall R N who was for some time between the years 1824 and 1828 senior officer of a small British Squadron on the West Coast of South America His book published in the thirties obtained a certain celebrity and I suppose is to be found still in some

libraries The curious who may be mistrusting my imagination are referred to that printed document Vol II I forget the page but it is somewhere not far from the end Another document connected with this story is a letter of a biting and ironic kind from a friend then in Burma passing certain strictures upon the gentleman with the gun on his back which I do not intend to make accessible to the public Yet the gun episode did really happen or at least I am bound to believe it because I remember it described in an extremely matter of fact tone in some book I read in my boyhood and I am not going to discard the beliefs of my boyhood for anybody on earth **A Set of Six** Joseph Conrad, 2021-06-07 A collection of six stories from Joseph Conrad The stories are Gaspar Ruiz The Author Informer An Ironic Tale The Brute An Indignant Tale An Anarchist A Desperate Tale The Duel A Military Tale and Il Conde A Pathetic Tale
