

A romantic couple is lying on a light-colored, textured surface, possibly a bed. The man, on the left, is wearing a blue button-down shirt and dark pants. He is looking up at the woman with a gentle expression. The woman, on the right, has long, dark, wavy hair and is wearing a white, strapless, ruffled dress. She is holding a large, red, heart-shaped lollipop in her mouth and looking directly at the camera with a soft smile. The overall mood is intimate and affectionate.

anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in *Impotence* the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way *Impotence* enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI's failure to consummate his marriage to the boost given the fledgling American republic by George Washington's failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies *Impotence* is a serious but highly entertaining examination of a problem that humanity has simultaneously regarded as life's greatest tragedy and its greatest joke

Dr T Tlaleng Mofokeng, 2021-01-18 Dr T's voice contemporary and thoroughly African is vital in a country where too many women are taught to be ashamed of their bodies and their sexual desires and too many men believe they should shame women SISONKE MSIMANG The indomitable Dr Tlaleng Mofokeng affectionately known as Dr T is passionate about making sexual health and well being services available to all regardless of their sexual and gender identities and their economic status This updated edition of her bestselling book is filled with the specifics of sexual anatomy and health as well as advice and facts about pleasure and sexual rights and includes additional resources along with new sections on coercive control as well as sex and pleasure during the time of COVID Dr T with her typically honest and warm approach makes the reader feel comfortable reading about topics that are not always discussed freely providing ALL the information that demystifies sex and sexuality in a way that is entertaining and enlightening
