Service With A Smile:

Emotions at Work Aviad E. Raz, 2020-03-23 Our work life is filled with emotions How we feel on the job what we say we feel and what feelings we display all these are important aspects of organizational behavior and workplace culture Rather than focusing on the psychology of personal emotions at work however this study concentrates on emotions as role requirements on workplace emotions that combine the private with the public the personal with the social and the authentic with the masked In this cross cultural study of emotion management the author argues that even though the goals of normative control in factories offices and shops may be similar across cultures organizational structure and the surrounding culture affect how that control is discussed and conceived Service with a Smile Kasthuri Sreenivasan, 1978 *THE CHEATSHEET TO BEAT YOUR RIVALS IN BUSINESS & AT WORK* RENE T. DOMINGO, *THE CHEATSHEET TO BEAT YOUR RIVALS IN BUSINESS AT WORK* helps entrepreneurs and executives find answers to many of their inconvenient and difficult questions such as How do you know if you are overpaying your managers When do you walk out of meetings When is it time to change your CEO or your boss Why do you lose good people by promoting them Why is cheap labor not cheap Which are the slowest departments in most companies Who is the best C suite executive to replace the CEO Which two departments often fight each other How can small businesses thrive in the next pandemic or economic crisis Why is overtime a sign of mismanagement What are the 4 vital signs of a distressed business Which are the bad traits of job applicants you won't know during recruitment When is your digital transformation a digital disaster How do you replace your boss sooner and not later How do you increase price and still increase market share How do you avoid price cutthroat competition and win When is downsizing a disaster a false economy When do you replace your entire board Should doctors run hospitals and lawyers law firms How can the lowest bidder be the most expensive How can you be the last person to be fired or the last man out Why paying big peanuts may just get you big monkeys How would the world's greatest strategists Musashi and Sun Tzu do SWOT analysis Why are successful enterprises often founded by two business partners What are the blindspots of common KPIs that can make them backfire What can quality myopia limit enterprise growth How can high sales hide high costs and reduce profits How can increasing the right cost significantly reduce overall costs Why do innovative entrepreneurs fail to grow or scale their businesses How do you quickly pivot your business to survive a crisis How do you avoid the 7 sins of customer service Why are too many signatories checkers and inspectors signs of poor management When is a call center a cold center What will replace location location location as the new marketing mantra How can busy hardworking employees be more wasteful than idle ones This book is for street smart entrepreneurs who want to take their businesses to the next level of growth by outflanking competitors It is also for rising executives who want to fast track their careers by outsmarting their work rivals It is for business men and women managers and professionals who have no time for long learning curves and lectures thick textbooks expensive experience and first time mistakes This cheatsheet consists of easy to read easy to digest
