Settling Scores Piper Anderson Series Book 5:

Settling Scores Danielle Stewart, 2014-11-21 Willow has been saved from a painfully dark past and handed a bright future. By all accounts she should be happy. But no one seems to understand that escaping evil hasn't left her feeling free of it. The more people try to hold her close, the harder she fights to get away. Even the unconditional support from Edenville isn't enough to help her keep her head above water. On a journey to settle scores and find answers to questions that haunt her memories, Willow hopes to mend her heart. Meanwhile, the man she has pushed away time and again fights to show her the only chance she has at happiness is opening her heart to the love that is right in front of her. But even Josh's loyalty has its limits. How long before even he gives up on her, considering she's already given up on herself? **The Bend in Redwood**

Road Danielle Stewart, 2019-08-27 Most days it's manageable. No more than a quiet wondering around the edges of her mind. What has become of the baby she left behind? Smiling through the pain and suffering in silence, Leslie Laudon marches forward, embracing the life skillfully designed by her husband Paul. Living right could be penance for an impossible choice she made. Dutiful and anchoring, Leslie pours herself into her other children, nurturing them through infancy, protecting them as toddlers, guiding them as teens. As her youngest child heads off to college with her suitcases and coordinating dorm room accessories, so goes Leslie's identity. The chaotic life of a busy working mother threatens to become dangerously quiet. Quiet enough to hear the voices she's tried to silence for decades. Gwen Fox was adopted by two perfect people, Noel and Millie, who have always treated her the same as their two biological sons. Her parents' love is strong and unwavering, yet a soul-deep ache still lingers in her. Plagued by an unnamed, hard-to-explain longing, Gwen could never shake. Riddled with doubt and dragged down by the undertow of unanswered questions, Leslie and Gwen both find their lives suddenly upended. One seeks the truth about the day she was born. The other seeks herself, the woman she was before motherhood. Before she made a choice to leave a piece of her heart lying asleep in the hospital nursery. In this complex journey for answers, blame is abundant. Guilt is thick enough to choke on. Marriages are brought to the brink of disaster. As the ripples of the past vibrate through their lives, Gwen and Leslie realize there is no turning back. What they have put into motion cannot be stopped. The road toward the truth will be littered with casualties. *Unbroken Embrace* Danielle Stewart, 2025-04-26 In a picturesque Italian town

nestled against a serene Italian lake, a man declared dead finds himself reborn. Harry, once a protector entangled in a world of danger and deceit, now walks the cobblestone streets with a new mission. Amidst the aging wood and citrus-scented breeze of his quaint apartment, Harry must navigate his new identity with nothing but his wits and the ghost of the life he left behind. Missing the woman he left behind, knowing she assumes he's dead, he fights the distraction and pushes on. Danger becomes impossible to escape when Harry decides to step in on a clearly unfair fight. The decision puts Harry squarely in the crosshairs of hired guns determined to clear a path toward what they want. Impatient for a reunion with Rose, Harry fights to stay alive long enough to make sure that happens. Because his life isn't even worth living if she's not in it. **Book 1 Fierce Love Book**

 Stewart, 2021-10-12 Motherhood adds and subtracts at a feverish pace More belly laughs and moments of awe Far less sleep
 and hardly any self care With the toddler years in full effect Gwen has found herself both overwhelmingly happy and
 suddenly rudderless Seeking a work home balance proves baffling as she watches her identity float off like pollen in a
 summer breeze When a family friend seeks out her expertise as a geneticist to solve a long forgotten cold case Gwen feels a
 bit of her old self returning Being able to give someone their identity and provide peace for a family in turmoil is a purpose
 she deeply connects to But the situation has the potential to create palpable danger she may not be able to avoid Being a
 grandmother suits Leslie perfectly Lightheartedly sharing hard won lessons and indulging and spoiling as often as she can

She's the keeper of the cookies and the soothing song that magically induces sleep. However, with the promotion to grandmother comes the uncanny ability to see and know when trouble is brewing. The urge to protect pushes her into overbearing territory. Gwen and Leslie must once again navigate the complexity of their relationship as their roles continue to shift. Leaning on Griff and Mark, the women are forced to decide if self-preservation outweighs the chance to give a long-forgotten Jane Doe her identity back. And perhaps peace to her waiting family.
