One-Dog Man Ahmad Kamal, 2000-08 One Man Dog isn't really the story of a man and a dog There's a pup in it And several men in it aged ten or thereabouts But it is mostly an affectionate recapturing of the perilous yet infinitely delightful world of childhood done so vividly with such warmth one can only conclude that at some time or other Ahmad Kamal must have been a small boy himself Let the reader be warned however that One Man Dog is not a memoir in which the keen edges of reality have been buffed smooth by time Everything is sharply intact all the desperate adventures the disastrous fights the running skirmishes with parental authority the frightening brushes with the law the feverish forays into the world of finance and big business the ecstatic yearnings that are part of growing up all are here in a story to make you look excitedly back into the past and catch your breath at the miracle of your own survival

Castes and Tribes of Southern India. Vol. 5 of 7 Edgar Thurston,2020-03-06 Excerpt The Marakk yars are described in the Madras Census Report 1901 as a Tamil speaking Musalman tribe of mixed Hindu and Musalman origin the people of which are usually traders They seem to be distinct from the Labbais q v in several respects but the statistics of the two have apparently been confused as the numbers of the Marakk yars are smaller than they should be Concerning the Marakk yars of the South Arcot district Mr Francis writes as follows 1 The Marakk yars are largely big traders with other countries such as Ceylon and the Straits Settlements and own most of the native coasting craft They are particularly numerous in Porto Novo The word Marakk yar is usually derived from the Arabic markab a boat The story goes that when the first immigrants of this class who like the Labbais were driven from their own country by persecutions landed on the Indian shore they were naturally asked who they were and whence they came In answer they pointed to their boats and pronounced the word markab and they became in consequence known to the Hindus as Marakk yars or 2 the people of markab The Musalmans of pure descent hold themselves to be socially superior to the Marakk ayars and the Marakk yars consider themselves better than the Labbais There is of course no religious bar to intermarriages between these different sub divisions but such unions

are rare and are usually only brought about by the offer of strong financial inducements to the socially superior party
Generally speaking the pure bred Musalmans differ from those of mixed descent by dressing themselves and their women in the strict Musalman fashion and by speaking Hindustani at home among themselves
