This book provides concrete case studies to show that it is indeed possible and shows how this connection can be touching and liberating. Kerstin Söderblom explains the meaning of queer affirming pastoral care using narrative miniatures of counseling sessions. The basis for this is the evaluation of case studies from pastoral care and casual services. Moreover, it presents queer friendly impulses for pastoral care sermons, queer readings of biblical texts, prayers, and rituals. The book shares exciting and touching stories from a pastoral theological world that is usually still completely ignored. It combines professional pastoral care work with the question of how it can be offered to queer people in an appropriate and respectful way. *Summer Bridge Activities®, Grades 1 - 2* Summer Bridge Activities, 2012-09-01.
