Nice Selection Political Contemporary Parliamentary Democracies:

The Selection of Political Party Leaders in Contemporary Parliamentary Democracies Jean-Benoit Pilet, William Cross, 2014-01-10 This book explores the ways in which political parties in contemporary parliamentary democracies choose their leaders and then subsequently hold them accountable The authors provide a comprehensive examination of party leadership selection and accountability both through examination of parties and countries in different institutional settings and through a holistic analysis of the role of party leaders and the methods through which they assume and exit the office The collection includes essays on Australia Austria Belgium Canada Germany Hungary Israel Italy Portugal Romania Spain Norway and the United Kingdom which have important differences in their party systems their degree of democratization the role assigned to party leaders and their methods of leadership selection Each country examination provides significant data relating to party rules and norms of leadership selection leadership tenures and leadership contests The book concludes with a chapter that merges the country data analyses to provide a truly comparative examination of the theoretical questions underlying the volume This book will be of strong interest to students and scholars of legislative studies elections democracy political parties party systems political elites and comparative politics

Politics and Government in Israel Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel s geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel s foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

Party Primaries in Comparative Perspective Giulia Sandri, Antonella Seddone, 2016-03-03 Primary elections for choosing party leaders and candidates are now becoming commonplace in Europe Asia and America but questions as to how much they hinder a party s organizational strength and cohesion or affect electoral performance have largely been ignored outside of the USA *Party Primaries in Comparative Perspective* gives a much needed conceptualization to this topic describing the function and nature of primary elections and providing a comparative analytical framework to the impact of primaries on the internal and external functioning of political parties Elaborating on the analytical tools developed to study the US experience this framework engages with primary elections in Europe and Asia offering a theoretical comparative and empirical account of the emergence of party primaries

and an invaluable guide to internal electoral processes and their impact *The Promise and Challenge of Party Primary Elections* William P. Cross, Ofer Kenig, Scott Pruyers, Gideon Rahat, 2016-12-01 A groundbreaking study of the typologies, pathologies and promise of political party primary elections **Organizing Political Parties** Susan E. Scarrow, Paul D. Webb, Thomas Poguntke, 2017-06-23 Political party organizations play large roles in democracies yet their organizations differ widely and their statutes change much more frequently than constitutions or electoral laws How do these differences and these frequent changes affect the operation of democracy This book seeks to answer these questions by presenting a comprehensive overview of the state of party organization in nineteen contemporary democracies Using a unique new data collection the book's chapters test propositions about the reasons for variation and similarities across party organizations They find more evidence of within country similarity than of cross national patterns based on party ideology After exploring parties' organizational differences the remaining chapters investigate the impact of these differences The volume considers a wide range of theories about how party organization may affect political life including the impact of party rules on the selection of female candidates the links between party decision processes and the stability of party programmes the connection between party finance sources and public trust in political parties and whether the strength of parties' extra-parliamentary organization affects the behaviour of their elected legislators Collectively these chapters help to advance comparative studies of elections and representation by inserting party institutions and party agency more firmly into the centre of such studies Comparative Politics is a series for researchers, teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecpr.net The series is edited by Emilie van Haute Professor of Political Science Université libre de Bruxelles Ferdinand Müller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow Chair of the Department of Political Science University of Houston Party Reform Anika Gauja, 2017 This book explains why and how political parties in several advanced democracies are undertaking high profile organizational reforms The Oxford Handbook of Australian Politics Jenny M. Lewis, Anne Tiernan, 2021 This Handbook provides a comprehensive examination of Australia's distinctive politics both ancient and modern across multidisciplinary subjects It examines the factors that make Australian politics unique and interesting while firmly placing these in the context of the nation's Indigenous and imported heritage and global engagement **The Political Party in Canada** William P. Cross, Scott Pruyers, Rob Currie-Wood, 2022-11-01 Political parties exist at the centre of democratic politics but where does power lie within them and how is it exercised The Political Party in Canada explores the inner workings of these complex organizations through an examination of the composition and roles of key party actors members and activists candidates local associations donors central officials and members of Parliament as well as the interactions between them Contemporary

parties play a key role in recruiting and selecting candidates and leaders waging election campaigns and organizing legislatures Drawing on a rich trove of data from the 2015 and 2019 federal elections this book offers a comprehensive examination of the composition functions activities and power sharing relationships that characterize Canadian parties The authors focus not only on which groups are included in decision making but also on what power and authority rest with each level of the parties respective structures Basing its astute investigation on the themes of complexity representation and personalization The Political Party in Canada provides important insights into a fundamental institution that makes modern democracy possible

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another It considers the effects of constitutional structures as well as the party's original features and argues that the degree of party presidentialization varies as a function of the party's genetics

The Politics of Party Leadership William Paul Cross, Jean-Benoît Pilet, 2015 This book examines the ways in which political parties choose their leaders and the implications of the different choices they make

Nice Selection Political Contemporary Parliamentary Democracies Introduction

In today's digital age, the availability of Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nice Selection Political Contemporary Parliamentary Democracies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nice Selection Political Contemporary Parliamentary Democracies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nice Selection Political Contemporary Parliamentary Democracies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nice Selection Political Contemporary Parliamentary Democracies books and manuals for download and embark on your journey of knowledge?
