Son of Real Florida is a compelling retrospective of essays on the state he knows so well Klinkenberg tells what it was like growing up in pre air conditioning Florida and becoming a newspaper reporter in mid century Miami He introduces us to the stout hearted folks who have learned to live and even prosper among the insects sharp toothed critters and serious heat We meet beekeeper Harold P Curtis and his prized orange blossom honey frog whisperer Avalon Theisen Sheepshead George of St Petersburg and Miss Martha the oyster shucking queen of Apalachicola This book also takes us to some of the most interesting little known places in the state We travel to Solomon s Castle of reclaimed materials the neighborhood of Rattlesnake Florida and the smallest post office in the United States Along the way Klinkenberg stops to impart true Florida wisdom from how to eat a Key lime pie to which writers and artists every Floridian should know Above all Klinkenberg portrays Florida s people places food and culture with a deep understanding that does not relegate them to cliché He writes with warmth and authenticity of a state he still sees as wondrous in its own ways Though some may think the real Florida is a thing of the past he says Do not tell me Florida is no longer a paradise The Madonna List Max Foran,Maxwell Foran,2005 Rome 1221 On the death of Dominic Guzman founder of the Order of Dominican Friars a list of three names is locked away with the depositions attesting to Dominic s beatification and a copy is sealed in an icon of the Virgin Mary that is eventually carried to New France This list is the thread that binds the fates of ordinary people caught up in the grand sweep of historical events The Madonna List traces the lives of two nineteenth century men across three continents where each finds himself intertwined with a woman who has been visited by the Virgin Mary Bernad Birous is an ambitious and arrogant young Genoan of the merchant class who desires to use the power of the Church to serve his worldly aims and who comes to believe that he is the chosen of God Martin Goyette is a young artist from the rural parishes of Lower Canada who becomes enmeshed in the doomed Lower Canada Rebellion of 1838 Their very different lives are drawn together in a penal colony in New South Wales Australia where fortune ambition and faith determine their fates A web of mystery violence love betrayal and tragedy finally leaves one man standing and one broken when the shattering secret of The Madonna List is revealed
