Doing Justice Together Michael Adam Beck, Stephanie Moore Hand, 2024-02-20 Transform your church with grace Doing Justice Together introduces a process using Scripture as a source of inspiration and instruction for pastors and church people to move through together to re envision and reorient themselves away from old harmful habits Beck and Hand show pastors how they can over time lead the congregation to become a place where racial harmony justice and liberation are intrinsic to the structure and life of the church The authors lay out four pathways for discerning and correcting the unjust patterns that often sneak into church life unnoticed They also share other leaders stories from a variety of settings where this process has led to healing revival and hope Following the pathways pastors and congregants will be equipped to thoughtfully transform their church They ll make changes with grace and care honoring and including longtime members And they ll begin new ministries perhaps reaching people they could never have imagined reaching before becoming a fresh expression of church in their community

Arizona's Deadliest Gunfight Heidi J. Osselaer,2018-05-03 On a cold winter morning Jeff Power was lighting a fire in his remote Arizona cabin when he heard a noise grabbed his rifle and walked out the front door Someone in the dark shouted Throw up your hands Shots rang out from inside and outside the cabin and when it was all over Jeff s sons Tom and John emerged to find the sheriff and his two deputies dead and their father mortally wounded Arizona s deadliest shoot out happened not in 1881 but in 1918 as the United States plunged into World War I and not in Tombstone but in a remote canyon in the Galiuro Mountains northeast of Tucson Whereas previous accounts have portrayed the gun battle as a quintessential western feud historian Heidi J Osselaer explodes that myth and demonstrates how the national debate over U S entry into the First World War divided society at its farthest edges creating the political and social climate that lead to this tragedy A vivid thoroughly researched account Arizona s Deadliest Gunfight describes an impoverished family that wanted

nothing to do with modern civilization Jeff Power had built his cabin miles from the nearest settlement yet he could not escape the federal government's expanding reach The Power men were far from violent criminals but Jeff had openly criticized the Great War and his sons had failed to register for the draft To separate fact from dozens of false leads and conspiracy theories Osselaer traced the Power family's roots back several generations interviewed descendants of the shoot out's participants and uncovered previously unknown records What happened to Tom and John Power afterward is as stirring and tragic a story as the gunfight itself Weaving together a family based local history with national themes of wartime social discord rural poverty and dissent Arizona's Deadliest Gunfight will be the authoritative account of the 1918 incident and the memorable events that unfolded in its wake
