## **Nice Book Thinking About Gods Love Redemption:**

The Nature of God's Divine Redemption John R. Matthew, 2014 The book was born out of a desire to lift your spirit As we look around us today we see a lot of pain and sorrow and misery The concept of The Nature of God s Divine Redemption is a deliberate intention to encourage you and to lift your hope to put your mind on something better and a superior way The book tells you If the son of man set you free you are free indeed John 8 36 King James Bible That is what is The Nature of God s Redemption is about We are told that whatsoever a man thinks in his heart so is he The idea behind the book is to help you to think good thoughts and to lift your minds from horizontal things to vertical things God s love is the most amazing thing The book tells that faith is also amazing It takes far more faith to believe in the intellectually chic and fashionable evolutionary myth than it does to believe in the existence of God Moreover it says Evolution is based entirely on faith because no facts or proof have ever been found to support it Faith does play a primary role in the life of a Christian For the person who truly wants to seek God and learn to please Him Hebrews 11 6 tells us that But without faith it is impossible to please God for him that cometh to God must believe that He is and that He is a rewarded of them that diligently seek Him Faith is vital to a Christian In fact without it no one can please God Notice this verse says that those seeking God must believe that He is Also the book articulates that a deep belief in God who rewards all who diligently seek Him requires proof of His existence It says it is After proof has been established then and only then can one have faith absolute confidence that what man does is being recorded in God s mind to be remembered when he receives his reward If you are uncertain that God exists because proof of that existence has not been firmly established then under fire your faith will wane or disappear But when you truly believe in what Jesus Christ did on the Cross of Calvary God s Divine love will redeem you and set you free from the heavy load of sin

*Thinking about God: Reflections on a Considered Life* William E. Marsh, 2007-02-09 Are you one of those people who have wanted to get to know God better but never found anything in a church to help you do so Do religious words sound like gibberish to you If so this book is for you Thinking About God is written to explain in non theological language what some of God is all about It is a series of short meditations on some of the major words that we find in talk about faith meditations in which the author re images these words into more conventional language language to which most of us can relate Thinking About God believes that at the heart of the human experience is imagination and at the heart of imagination is our picture of God It aims to encourage you to look again at who God can be in your life to inspire you to reconsider any misconceptions you may have about spirituality or the fact of Jesus in the human experience to open yourself to new avenues of understanding in your perceptions of the larger forces that govern our lives Thinking About God believes that we all are on journeys really ever seeking to enlarge our comprehension of who we are and where we are going Its author shares his meditations as a fellow traveler a traveler mind you who feels as if he has found something permanently spiritually transforming but a traveler who is very much aware that others continue by choice to search for their spiritual

destiny Indeed it is to all of these travelers that the author dedicates this book **The Primitive Church (or Baptist) Magazine** ,1864 **NIVAC Bundle 3: Wisdom Books** John H. Walton,Gerald H. Wilson,Paul Koptak,Iain Provan,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

and many Protestant denominations Drawing on the resources of their own Christian heritages eleven scholars share the riches of their respective traditions on the doctrine of deification In this book scholars and pastor scholars from diverse Christian expressions write for both a scholarly and lay audience about what God created us to be adopted children of God who are called even now to be filled with all the fullness of God Eph 3 19
