

do ***NOT*** drag him by his feet, as his head comes off too soon. This is good for the owner, but spoils the fun. Always wear a seatbelt and never exceed the speed limit. 4) Playing on the PNL: a variation on (2), except you can knock your owner in the field, thus saving work time. Owners enjoy this game best if the PNL is run by a man in a tall white hat. 5) Hunt the owner: a variation of Hunt the Wabbit played outdoors, with Dehornians. WARNING: do not let your Dehornians bite owners, as they are highly toxic.

DISPOSAL OF DEAD OWNERS.

Owners die on average at around 40, which means might say is 40 years too late, I have you go. Most people prefer their owners dead, in fact. When yours dies, as the latest member of the cast that did the drive-by shooting of your owner. They will collect the owner and dispose of it for you.

COMMON PROBLEMS WITH OWNERS - MY OWNER IS VERY AGGRESSIVE. Have it put down, for god's sake. Who needs an angry owner? What are we, the owner or something?

MY OWNER KEEPS RAPING WHITE WOMEN

They all do this. Shorten your owner's chain so it can't reach any white women, arms heavily any white women who might go near it.

WILL MY OWNER ATTACK ME?

Not unless it outnumbers you 20 to 1, and even then, it's not likely. If owners successfully overthrow their owners, they'd have to sort out their own land. This probably why owner uprisings were uncommon (until some had gave them rights).

MY OWNER ABOUT ITS "RIGHTS" AND "RACISM".

Yeah, well, it would. Tell it to shut the hell up.

MY OWNER'S SKIN IS A FUNNY COLOR. - WHAT IS THE CORRECT SHADE FOR A OWNER?

A owner's skin is actually more or less transparent. That brown color you can see that your owner is full of. This is why some models of owners are sold as "The Brown".

MY OWNER ACTS LIKE A OWNER, BUT IS WHITE.

What you have there is a "owner". Rough crowd. WQW!

Temple Law Review ,2003 **The Black History of the White House** Clarence Lusane,2013-01-23 The Black History of the White House presents the untold history racial politics and shifting significance of the White House as experienced by African Americans from the generations of enslaved people who helped to build it or were forced to work there to its first black First Family the Obamas Clarence Lusane juxtaposes significant events in White House history with the ongoing struggle for democratic civil and human rights by black Americans and demonstrates that only during crises have presidents used their authority to advance racial justice He describes how in 1901 the building was officially named the

White House amidst a furious backlash against President Roosevelt for inviting Booker T Washington to dinner and how that same year that saw the consolidation of white power with the departure of the last black Congressman elected after the Civil War Lusane explores how from its construction in 1792 to its becoming the home of the first black president the White House has been a prism through which to view the progress and struggles of black Americans seeking full citizenship and justice Clarence Lusane is one of America's most thoughtful and critical thinkers on issues of race class and power Manning Marable Barack Obama may be the first black president in the White House but he's far from the first black person to work in it In this fascinating history of all the enslaved people workers and entertainers who spent time in the president's official residence over the years Clarence Lusane restores the White House to its true colors Barbara Ehrenreich Reading The Black History of the White House shows us how much we DON'T know about our history politics and culture In a very accessible and polished style Clarence Lusane takes us inside the key national events of the American past and present He reveals new dimensions of the black presence in the US from revolutionary days to the Obama campaign Yes black hands built the White House enslaved black hands but they also built this country's economy political system and culture in ways Lusane shows us in great detail A particularly important feature of this book its personal storytelling we see black political history through the experiences and insights of little known participants in great American events The detailed lives of Washington's slaves seeking freedom or the complexities of Duke Ellington's relationships with the Truman and Eisenhower White House show us American racism and also black America's fierce hunger for freedom in brand new and very exciting ways This book would be a great addition to many courses in history sociology or ethnic studies courses Highly recommended Howard Winant The White House was built with slave labor and at least six US presidents owned slaves during their time in office With these facts Clarence Lusane a political science professor at American University opens The Black History of the White House City Lights a fascinating story of race relations that plays out both on the domestic front and the international stage As Lusane writes The Lincoln White House resolved the issue of slavery but not that of racism Along with the political calculations surrounding who gets invited to the White House are matters of musical tastes and opinionated first ladies ingredients that make for good storytelling Boston Globe Dr Clarence Lusane has published in The Washington Post The Miami Herald The Baltimore Sun Oakland Tribune Black Scholar and Race and Class He often appears on PBS BET C SPAN and other national media
