The Spirit-Baptized Church Frank D. Macchia, 2020-04-16

Frank D Macchia argues that the Son of God baptized and continues to baptize humanity in the Spirit by pouring forth the Spirit on the Day of Pentecost All four Gospels and the book of Acts describe how the Son is sent of the Father and empowered by the Spirit to fulfil this mission Macchia in turn claims that Christ succeeds by incorporating others into himself and into the love of the Father The Spirit Baptized Church proposes a richly pneumatological ecclesiology that is dominated by a Pentecostal confessional concern while also open to a larger ecumenical conversation The volume focuses not only on the dogmatic Trinitarian foundations and election processes of the Spirit baptized church but also on its marks and witnessing practices As an exceptionally detailed study of the Spirit baptismal metaphor this volume is a valuable resource for scholars of ecclesiology Pentecostalism and systematic theology

John Calvin's Bible Commentaries On The Book Of Joshua John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The Commentary On Joshua was the last literary labor of its venerable Author When he engaged in it his constitution which had never been strong was completely worn out by excessive exertion and almost every line of it must have been dictated to his amanuensis during momentary intervals of relief from severe bodily pain On this point we possess authentic documents which leave no room for doubt Such are the circumstances in which this Commentary was composed and it is impossible in reflecting on them not to admire the indomitable energy which Calvin displayed in proceeding with his task and in meeting the remonstrances of those who would have withdrawn him from it with the heroic exclamation Would you that the Lord when He comes should find me idle A Work written at such a time and in such a spirit might justly claim exemption from criticism but it has no need of indulgence and can well afford to be judged by its own intrinsic merits Viewed merely as an intellectual effort it displays all the excellencies which characterize the other Commentaries of its distinguished Author viewed in a higher and better light it is his dying bequest to the Church a solemn ratification of the whole System of Doctrine which he had so long so earnestly and so successfully promulgated
