No Place For Fairness No Place For Fairness:

No Place But Here Garret Keizer, 2015-10-01 Weaving anecdotal narrative with trenchant reflections on his profession Garret Keizer offers one teacher's answer to the hue and cry over the crisis in education An English teacher in rural Vermont he writes of the opposing realities he faces every day the promise and energy of the young and the oppressive effect of their economic disadvantages the beauty of the countryside and its people and the harsh sometimes ugly edge of life there the need for discipline and the importance of rebellion In exploring the demands peculiar to his own community Keizer movingly depicts the difficulties some triumphantly overcome some overwhelming that form the heart of teaching anywhere

Ideology, Psychology, and Law Jon Hanson, 2012-01-11 Features the groundbreaking law related research of political psychologists Includes leading legal scholars commentary and analysis of political psychologists work The first book to bring together experts to discuss the interaction between psychology ideology and law *Justice and International Order* Richard Ned Lebow, Feng Zhang, 2022 A comparative exploration of Western and Chinese understandings of justice and their possible use to reframe Sino American relations and international governance The concept of justice is central to politics it justifies the ordering of society and the distribution of rewards In *Justice and International Order* Richard Ned Lebow and Feng Zhang compare and contrast Western and Chinese conceptions of justice They argue that justice can almost invariably be reduced to the principles of fairness and equality although they are developed and expressed differently in the two cultures Lebow and Zhang show that there has been a noticeable shift in both in favoring equality over fairness in the modern era They analyze the growing conflict between China and the West in the light of these conceptions of justice and show how they might be deployed to ameliorate it The authors also offer a critique of what passes for global order and explore ways in which fairness and equality and trade offs between them offer pathways to better and more peaceful worlds *Administrative Justice in Wales and Comparative Perspectives* Sarah Nason, 2017-09-15 This book offers a unique understanding of what administrative justice means in Wales and for Wales whilst also providing an expert and timely analysis of comparative developments in law and administration It includes critical analysis of distinctly Welsh administrative laws and redress measures whilst examining contemporary administrative justice issues across a range of common and civil law European and international jurisdictions Key issues include the roles of commissioners administrative courts tribunals and ombudsmen in devolved and federal nations and evolving relationships between citizens and the state especially in the context of localisation and austerity and will be of interest to legal and public administration professionals at home and internationally

How to Better Hate Your Job Egbert Sukop, 2009-03-04 You hate the title I knew it Of course you don't really hate your job You are just not too pleased with certain individuals you have to work with and you would change a few things if you were in charge But you aren't in charge and perhaps that is what you despise the most Money we earn under someone else's rule while relinquishing our own individuality pays for a little bit of freedom later and for benefits Increasing seniority and

benefits are the leash and collar that keep us from straying Unpleasant job environments are realities of life and always will be You however are responsible for your happiness all of it Looking forward to retirement means your life sucks today So Change it Employed or self employed whether you hate your work or not you can claim a larger piece of freedom and individuality Burn down your boredom shock yourself out of silent suffering and tear up the unwritten rules of subjugation Discover new options so you can experience freedom and happiness Federal Communications Commission Reports.
