Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents

Robert Rogers

Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents:

Self and Other Robert Rogers,1991-10-01 In *Self and Other* Robert Rogers presents a powerful argument for the adoption of a theory of object relations combining the best features of traditional psychoanalytic theory with contemporary views on attachment behavior and intersubjectivity Rogers discusses theory in relation both to actual psychoanalytic case histories and imagined selves found in literature and provides a critical rereading of the case histories of Freud Winnicott Lichtenstein Sechehaye and Bettelheim At once scientific and humanistic *Self and Other* engagingly draws from theoretical clinical and literary traditions It will appeal to psychoanalysts as well as to literary scholars interested in the application of

psychoanalysis to literature **Self and Other** Robert Rogers,1991-10-01 In *Self and Other* Robert Rogers presents a powerful argument for the adoption of a theory of object relations combining the best features of traditional psychoanalytic theory with contemporary views on attachment behavior and intersubjectivity Rogers discusses theory in relation both to actual psychoanalytic case histories and imagined selves found in literature and provides a critical rereading of the case histories of Freud Winnicott Lichtenstein Sechehaye and Bettelheim At once scientific and humanistic *Self and Other* engagingly draws from theoretical clinical and literary traditions It will appeal to psychoanalysts as well as to literary scholars interested in the application of psychoanalysis to literature National Library of Medicine Current Catalog

National Library of Medicine (U.S.),1993 **Subject and Agency in Psychoanalysis** Frances Moran,1993-05 Psychoanalysis works with words words spoken by a subject who asks that the analyst listen This is the belief that underlies Francis Moran s rewarding exploration of a central problem in psychoanalytic theory namely the separation of the concepts of subject and agency *Subject and Agency in Psychoanalysis* contends that Freud simultaneously employs two frameworks for explaining agency one clinical and one theoretical As a result Freud s exploration of agency proceeds from two logically incompatible assumptions The division between these assumptions is a part of Freud s psychoanalytic legacy Moran reads the Freudian inheritance in light of this division showing how Klein and Hartmann s theoretical concepts of subject are adrift from the subject who speaks in analysis Moran also shows that while Lacan s subject provides more focus on this issue Lacan reverts to the Freudian division in his use of logically contradictory assumptions concerning the location of agency Drawing on contemporary theory development from Lacanian innovations to the social theories of Anthony Giddens Moran proposes a new and fertile approach to a fundamental problem significantly narrowing the gap between psychoanalytic theory and practice Current Catalog National Library of Medicine (U.S.),1993 First multi year cumulation covers six years 1965 70

Psychoanalysis and Development Massimo Ammaniti,Daniel N. Stern,1994-10 Examines the growth of representation and narratives in the history and practice of psychoanalysis Explores the close and necessary relationship between Freud s theories of representation the building of an internal mental world allowing us to give meaning to our experiences and narration the idea that personal experience might assume the character of a narrative and illustrates how they have

developed the language of therapy and affected the practice of both psychoanalysis and developmental psychology

Annotation copyright by Book News Inc Portland OR Jacques Lacan's Return to Freud Philippe Julien, 1995-07-01 Among the numerous introductions to Lacan published to date in English Philippe Julien's work is certainly outstanding Beyond its conceptual clarity the book constitutes an excellent guide to Lacanian psychoanalytic practice Andr Patsalides Psychoanalyst and President Lacanian School of Psychoanalysis From 1953 to 1980 Jacques Lacan sought to accomplish a return to Freud beyond post Freudianism He defined this return as a new covenant with the meaning to the Freudian discovery Each year through his teaching he brought about this return What was at stake in this renewal Philippe Julien who joined Lacan's Ecole Freudienne de Paris in 1968 attempts to answer this question Situated in the period after Lacan Julien shows that Lacan's return to Freud was neither a closing of the Freudian text by responding to questions left unanswered nor a reopening of the text by giving endless new interpretations Neither dogmatic nor hermeneutic Lacan's return to Freud was the return of an inevitable discordance between our experience of the unconscious and any attempt to give an account of it For the unconscious by its very nature disappears at the same moment as it is discovered It is in this sense that the author can claim that Lacan's return to Freud will have been Freudian Constantly challenging the reader to submit to the rigors of Lacan's sinuous thinking this penetrating work goes far beyond being a mere introduction Rendered into elegant English by the American translator who added numerous footnotes and scholarly references to the French original this study brings Lacanian scholarship among English readers to a new level of sophistication Neither dogmatic nor hermeneutic Lacan's return to Freud was the return of an inevitable discordance between our experience of the unconscious and any attempt to give an account of it For the unconscious by its very nature disappears at the same moment as it is discovered It is in this sense that the author can claim that Lacan's return to Freud was Freudian **The Truth About Freud's Technique** Michael Guy Thompson, 1995-07-01 In this unusual and much needed reappraisal of Freud's clinical technique M Guy Thompson challenges the conventional notion that psychoanalysis promotes relief from suffering and replaces it with a more radical assertion that psychoanalysis seeks to mend our relationship with the real that has been fractured by our avoidance of the same Thompson suggests that while avoiding reality may help to relieve our experience of suffering this short term solution inevitably leads to a split in our existence M Guy Thompson forcefully disagrees with the recent trend that dismisses Freud as an historical figure who is out of step with the times He argues instead for a return to the forgotten Freud a man inherently philosophical and rooted in a Greek preoccupation with the nature of truth ethics the purpose of life and our relationship with reality Thompson's argument is situated in a stunning re-reading of Freud's technical papers including a new evaluation of his analyses of Dora and the Rat Man in the context of Heidegger's understanding of truth In this remarkable examination of Freud's technical recommendations M Guy Thompson explains how psychoanalysis was originally designed to re-acquaint us with realities we had abandoned by encountering them in the context of the analytic experience

This provocative examination of Freud's conception of psychoanalysis reveals a more personal Freud than we had previously supposed one that is more humanistic and real

The Idea of the Past Leonard J. Lamm, 1997-08 The advancement of psychoanalysis in America has reached an impasse Scientists are pitted against hermeneuticists theorists against practitioners and narrative truth against historical truth reflecting and refracting the role of the past in theory and therapy through a host of competing approaches Leonard Lamm argues against the impossible task of unifying psychoanalysis into a homogenous discourse proposing instead the acceptance of a pluralist model in which different modes of discourse are applicable and appropriate in different circumstances This innovative work sets out to unravel the opaque idea of the psychoanalytic past as expressed in countless theoretical voices from object relations to Lacanianism to ego psychology Dr Lamm redraws the map of American psychoanalytic argument and takes a fresh look at current debates on narrative truth metapsychology and the role of the past in psychoanalysis A thoughtful model emerges in which historical scientific and practical discourses and constructions of the past do not compose a hierarchy in psychoanalytic understanding Instead they are voices in a conversation in which they may differ without disagreeing

Untersuchungen zur Psychostilistik Ulrich Hepp, 2000 Nur wenige Monate des Jahres 1926 dauerte der Briefwechsel zwischen den drei Dichtern Dennoch markiert er einen Höhepunkt der persönlichen und literarischen Entwicklung Marina Cvetaevas Rainer Maria Rilkes und Boris Pasternaks Grund genug sich intensiv mit ihm auseinander zu setzen Jedoch fehlt bisher ein Analyseverfahren das die tiefe emotionale Beziehung und das hohe künstlerische Niveau des Briefwechsels gleichermassen berücksichtigt Mit der Psychostilistik entwickelt der Gottinger Slavist Ulrich Hepp eine neue Untersuchungsmethode die Erkenntnisse der Sozialpsychologie und Psychoanalyse mit einer präzisen Stilanalyse verknüpft Am Beispiel des deutsch russischen Dreierbriefwechsels setzt er sein Untersuchungsverfahren in die Tat um und ordnet ihn in das fließende Kontinuum zwischen der Authentizität historischer Personen und literarischer Fiktion ein Mit der Psychostilistik schafft Hepp ein geeignetes Instrumentarium das beiden Komponenten des Briefwechsels zwischen Literaten als Kunst und als Beziehungsform gerecht wird

Embracing the Track of Phrase: An Mental Symphony within **Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents**

In some sort of eaten by screens and the ceaseless chatter of instant interaction, the melodic beauty and psychological symphony produced by the prepared word frequently diminish into the backdrop, eclipsed by the constant noise and distractions that permeate our lives. But, nestled within the pages of **Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents** an enchanting literary treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that captivating masterpiece conducts viewers on an emotional journey, well unraveling the concealed songs and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional assessment, we shall examine the book is key harmonies, analyze their enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Self And Other Object Relations In Psychoanalysis And Literature Psychoanalytic Crosscurrents free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
