Origins Of The First World War Controversies And Consensus

Sean McMeekin

Origins Of The First World War Controversies And Consensus:

The Origins of the First World War Annika Mombauer, 2013-12-02 The seminal event of the 20th century the origins of the First World War have always been difficult to establish and have aroused deep controversy Annika Mombauer tracks the impassioned debates as they developed at critical points through the twentieth century The book focuses on the controversy itself rather than the specific events leading up to the war Emotive and emotional from the very beginning of the conflict the debate and the passions aroused in response to such issues as the war guilt paragraph of the treaty of Versailles are set in the context of the times in which they were proposed Similarly the argument has been fuelled by concerns over the sacrifices that were made and the casualties that were suffered Were they really justified

The Origins of the First World War James Joll, Gordon Martel, 2022-08-02 This thoroughly revised edition has been updated to incorporate recent case studies biographies syntheses journal articles and scholarly conferences that appeared in conjunction with the centenary of the outbreak of the First World War in 2014 The original version of this work published by James Joll in 1984 quickly became established as the authoritative introduction to the subject of the war s origins Significantly expanded by Gordon Martel in 2007 this volume continues to offer a careful clear and comprehensive evaluation of the multitude of explanations advanced to explain the causes of the cataclysm of 1914 addressing each of the major interpretive approaches to the subject with essay like chapters addressing the alliance system militarism and strategy the international economy imperial rivalries the role of domestic politics and the mood of 1914 This edition offers an extensive new introduction a new conclusion including ten fateful choices that led to war an entirely new chapter on the July Crisis and a vastly expanded Guide to Further Reading Covering over a century of controversy and scholarship *The Origins of the First World War* is a valuable resource for all students and scholars interested in this major conflict

The Origins of the First World War William Mulligan, 2017-04-13 The second edition of this leading introduction to the origins of the First World War Updated to take account of the latest debates around the war s origins and outbreak this is an essential classroom text which significantly revises our understanding of diplomacy political culture and economic history from 1870 to 1914

Origins of the First World War Gordon Martel, 2016-10-04 *Origins of the First World War* summarizes the policies issues and crises that brought Europe to war in 1914 Examining the strategic and political problems that confronted each of the great powers and the way in which social and economic factors influenced the decision making process Martel discusses the position of each power and their place in the system of alliances which dominated international politics The fourth edition has been revised and updated throughout to incorporate the body of new scholarship that has appeared since the hundredth anniversary of the outbreak of war In a clear and accessible manner it explains how and why the alliance system was created how alliances led to a network of complicated strategic commitments how an escalating series of international crises from the turn of the century fuelled preparations for war why the peculiarities of the Balkan situation are essential in understanding the outbreak of war in 1914

This book also includes an updated Guide to Further Reading Who s Who of important figures and Glossary of key terms and the selection of documents has been expanded to include the key treaties as well as evidence of popular militarism and nationalism Concise accessible and analytical it is essential introductory reading for all students interested in the origins of the First World War *The Russian Origins of the First World War* Sean McMeekin,2013-05-06 In a major reinterpretation Sean McMeekin rejects the standard notion of the war s beginning as either a Germano Austrian pre emptive strike or a miscalculation The key to the outbreak of violence he argues lies in St Petersburg Russian statesmen unleashed the war through policy decisions based on imperial ambitions in the Near East **A Companion to International History 1900 - 2001** Gordon Martel,2010-03-29 A comprehensive overview of the most important international events movements and controversies of the 20th century Written by distinguished scholars each an authority in their field Explores influential underlying themes such as imperialism nationalism internationalism technological developments and changes in diplomatic methods Addresses a broad range of topics including diplomacy of wartime and peacemaking the cold war era and the new world order the end of European empires the rise of nationalism in the Third World globalization and terrorism Chronological organization makes the volume easily accessible Includes useful guides for further reading and research *The Routledge History of the First World War* Paul R. Bartrop,2024-08-27 The Routledge History of the First World War is a work which in a single volume covers a range of major themes and issues relating to that conflict Providing a comprehensive but readily accessible reference work examining the First World War in accordance with a broad range of themes this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research often untouched in other studies of the war With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries across four continents the book is also intended to open lines of further inquiry from its solid base of academic knowledge The volume demonstrates the war s global and total nature examining the conflict in all major theatres and through the lens of the key combatants and neutrals It also fully engages with issues of race gender ideology and society during the war This book will appeal to students of all levels scholars and general readers alike interested in the First World War from several different perspectives and research areas The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World War **The Cambridge History of the First World War: Volume 1, Global War** Jay Winter,2014-01-09 This first volume of The Cambridge History of the First World War provides a comprehensive account of the war s military history An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914 Adopting a global perspective the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the

political landscape of the world order It also charts the moral political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets *Short History of the First World War*
Gary Sheffield,2014-09-04 The First World War was a watershed in world history Tragic but far from futile its origins events and legacy have roused impassioned debate creating multiple interpretations and confusion for those encountering the period for the first time Synthesising the latest scholarship acclaimed historian Gary Sheffield cuts to the heart of the conflict He explores such key issues as the causes of war the great battles on land sea and in the air the search for the peace and peace settlements the political social and economic consequences the impact of total war on the belligerents and the individual and the place of the Great War in the history of warfare Accessible and authoritative this is the ultimate introduction for anyone wanting a clear understanding of what happened and why **The Causes of the First World War**
Annika Mombauer,2024-06-28 The causes of the First World War were disputed before the first shots had even been fired Recriminations intensified following the Treaty of Versailles when the victors accused Germany and its allies of having caused the war This was the start of a heated blame game in which historians and politicians on all sides became embroiled in a war of documents and publications More than 100 years on the question of the origins of the First World War still remains contested Based on Annika Mombauer s *The Origins of the First World War* 2002 this thoroughly revised and expanded volume examines the political and ideological concerns that fuelled these international disagreements and offers an extensive analysis of a complex and unique historical controversy from 1914 to the centenary and beyond It provides students teachers scholars and non specialist readers with a comprehensive guide through the maze of conflicting interpretations
