Oroonoko Norton Critical Editions:

Oroonoko Aphra Behn, 1997 This long awaited Norton Critical Edition of Aphra Behn's best known and most influential work makes available the original 1688 text the only text published in her lifetime **The Critical Fortunes of Aphra Behn** Janet Todd, 1998 This is the first study of the posthumous life of Aphra Behn the extraordinary vicissitudes of her critical reception and the personal vilifications of her reputation through three centuries Beginning with the reception of Behn's work during her lifetime which she herself helped to orchestrate by performing herself as a seductive woman a beleaguered lady writer and a serious intellectual among other roles the work ends with the late 20th century reception of Behn when the interest in gender race and class has made of her almost a postmodern writer In the 17th century she was seen as a playwright of sexy and propagandist comedies and attacked by those who disapproved her supposedly unfeminine stance and her royalist politics Later as the Restoration period itself fell into disrepute Behn's plays were denigrated along with those of her fellow men but greater opprobrium fell on her as a woman because in the 19th century it was felt that a female writer should have higher morals than a man During this period Behn's reputation was exceedingly low while her short story *Oroonoko* gained acclaim freed from any association with its author or her supposedly squalid times In the 18th and 19th centuries *Oroonoko* moved from being viewed as political commentary and heroic romance to a sentimental tale of doomed love and then an abolitionist text In the early twentieth century it was hailed as one of the earliest realist texts part of the great English ascent into the novel JANET TODD is professor of English at the University of East Anglia *Othello (Second Edition) (Norton Critical Editions)* William Shakespeare, 2017 I wanted an edition of *Othello* that had the necessary footnotes background material and a good selection of recent critical articles that would be accessible to students and would spark class discussions This was it Deborah Montuori Shippensburg University This Norton Critical Edition includes The First Folio text 1623 An introduction explanatory footnotes note on the text and textual notes by Edward Pechter Fifteen illustrations Giraldi Cinthio's sixteenth century story in its entirety which Shakespeare used for both the plot and many details of *Othello* A generous selection of interpretive responses to *Othello* from its origins to the present day including new to the Second Edition those by Stanley Cavell and Lois Potter Edward Pechter's popular theatrical and critical overview of *Othello* has been significantly expanded An updated Selected Bibliography **Approaches to Teaching Behn's Oroonoko** Cynthia Richards, Mary Ann O'Donnell, 2013-01-01 Once merely a footnote in Restoration and eighteenth century studies and rarely taught *Oroonoko* or *The Royal Slave* 1688 by Aphra Behn is now essential reading for scholars and a classroom favorite It appears in general surveys and in courses on early modern British writers postcolonial literature American literature women's literature drama the slave narrative and autobiography Part 1 of this volume Materials provides not only resources for the teacher of *Oroonoko* but also a brief chronology of Behn's life and work In part 2 Approaches essays offer a diversity of perspectives appropriate to a text that challenges student assumptions and contains not one story but many

Oroonoko as a romance as a travel account as a heroic tragedy as a window to seventeenth century representations of race as a reflection of Tory Whig conflict in the time of Charles II *Oroonoko* Aphra Behn,2003-10-30 Aphra Behn the poet playwright novelist and political satirist was the first truly professional woman writer in English This selection edited and introduced by Professor Janet Todd demonstrates the full sophistication and vitality of Aphra Behn s genius It contains the plays *The Rover* and *The Widow Ranter* the first English play to be set in the American colonies together with *Love Letters to a Gentleman* a choice of poems and two short novels *The Fair Jilt* and *Oroonoko* which are among the most innovative prose writings of the seventeenth century Aphra Behn Mary Ann O'Donnell,2017-03-02 This annotated bibliography constitutes a thoroughly revised and more easily readable study of Behn s publications of those edited or translated by her of publications that included her works and of writings ascribed to her along with an annotated bibliography of over 1600 works about her from 1671 to 2001 with an unannotated update covering 2002 The augmented primary bibliography describes all known editions and issues of her works to 1702 and adds a catalogue of editions to 2002 including on line sources The secondary bibliography adds close to 1000 items published since 1984 to the original 600 of the first edition along with about 175 more from 1671 to 1984 with attention to materials not in English New appendices include a list of dedicatees actors recent productions with reviews and provenances This volume will be invaluable for book dealers collectors and librarians as well as students and scholars of Aphra Behn and of Restoration literature The Awakening (Third Edition) (Norton Critical Editions) Kate Chopin,2017-07-28 I have used the Norton Critical Editions since graduate school As a teacher of high school literature I find them to be excellent resources for the study of various novels plays etc Brooke Gifford Vincent Middle High School This Norton Critical Edition includes The annotated text of Kate Chopin s modernist novel of marital infidelity set in New Orleans and Grande Isle Louisiana A preface a critical essay and explanatory annotations by Margo Culley Essays by acclaimed Chopin biographers Per Seyersted and Emily Toth An Etiquette Advice Book Sampler with selections from the conduct books of the period and contemporary perspectives on womanhood motherhood and marriage Forty five reviews and interpretive essays on The Awakening spanning three centuries A Chronology of Chopin s life and work and an updated Selected Bibliography About the Series Read by more than 12 million students over fifty five years Norton Critical Editions set the standard for apparatus that is right for undergraduate readers The three part format annotated text contexts and criticism helps students to better understand analyze and appreciate the literature while opening a wide range of teaching possibilities for instructors Whether in print or in digital format Norton Critical Editions provide all the resources students need **Narrative Concepts in the Study of Eighteenth-Century Literature** Liisa Steinby,Aino Mäkikalli,2025-10-01 This collection of essays studies the encounter between allegedly ahistorical concepts of narrative and eighteenth century literature from across Europe At issue is the question of whether the theoretical concepts underpinning narratology are despite their appearance of ahistorical generality actually derived from the historical study of a particular period and type of

literature The essays take on aspects of eighteenth century texts such as plot genre character perspective temporality and more coming at them from both a narratological and a historical perspective Tropicopolitans Srinivas Aravamudan,1999 Exposes new relationships between literary representation and colonialism focusing on the metaphorizing colonialist discourse of imperial power in the tropics Troping Oroonoko from Behn to Bandele Susan B. Iwanisziw,2018-01-18 This volume of essays invites the reader to assess literary texts from within the frame of the texts cultural history which includes issues of authorship and literary or stage convention as well as the social and political institutions that shaped and marketed that literature The collection initiates just such an in depth and focused analysis of the complex literary and social history of the royal slave Oroonoko All eight essays address elements in the evolution of Oroonoko from Behn s 1688 novella to Southerne s 1696 dramatic adaptation and thence to the adaptations by Hawkesworth 1759 Gentleman 1760 Anonymous 1760 Ferriar 1788 Bellamy 1789 and Bandele 1999 who serially expropriated the play as a platform to debate responsibility in matters of slavery and colonialism Perhaps unique among literary creations Oroonoko and his entourage with their distinctive race class and gender attributes came into popular consciousness as tropes gauging important shifts in English values during the course of the transatlantic slave trade Accordingly this study aims to provide a specific exemplum of rigorous focused research on a single complex and controversial topic but also to complicate some of our received notions about Oroonoko slavery and abolition with a view to encouraging a more rigorous analysis of the cultural history underpinning literary texts
