Abstract

To promote the population's adherence to COVID-19 public health preventive measures, the Quebec (Canada) government solicited the assistance of local music artists. This commentary aims to demonstrate how music has been utilized to communicate the public health recommendations relative to the COVID-19 pandemic and to discuss the relevance of using music in this context, as supported by research. More specifically, music is discussed in terms of its powerful capacity to reach out to a large population pool; to capture the population's attention quickly and massively in spite of age, language, or cultural barriers; to effectively communicate messages; and to affect individuals' behaviours. In this regard, the current COVID-19 pandemic demonstrates how music can be utilized as a communication tool and offers an interesting perspective for the consideration of music in future public health research.

Résumé

Dans le but de promouvoir l'adhésion de la population aux mesures préventives de santé publique émises en réponse à la COVID-19, le gouvernement du Québec (Canada) a sollicité l'appui d'artistes musicaux locaux. Ce commentaire vise à démontrer la façon dont la musique a été utilisée pour communiquer les recommandations de santé publique en lien avec la pandémie de la COVID-19 et à explorer la pertinence d'utiliser la musique dans ce contexte, en s'appuyant sur la recherche. Plus spécifiquement, la musique est abordée en termes de son importante capacité à rejoindre un large bassin de la population, de capter l'attention de la population rapidement et massivement en dépit des barrières pouvant être reliées à l'âge, au niveau de langage ou à la culture des personnes, à communiquer des messages de façon efficace, et à influencer sur le comportement des individus. Dans cette perspective, la présente pandémie de la COVID-19 démontre le potentiel de la musique comme outil de communication et offre des pistes intéressantes quant à la considération de la musique dans les recherches futures en santé publique.

Context

Since the beginning of the COVID-19 pandemic, enormous efforts have been invested around the world to prevent the

spread of the disease. Early on in Quebec (Canada), the government developed public health recommendations that have been reiterated daily ever since: wash hands frequently, avoid gatherings and non-essential travel, and maintain physical distancing. Despite these efforts, the country faced worrisome challenges when a portion of the citizens did not follow these recommendations, perhaps because they deliberately ignored them or because they were simply not aware of them. In an attempt to prompt the population to adhere to the public health recommendations to prevent the spread of COVID-19, it appeared instinctive for the government to request assistance

Extraordinary Leaders in Extraordinary Times: Unadorned clay pot messengers H. Stanley Wood, 2006 This book observes distinguishing traits of twenty first century clergy who have of established churches that successfully reach unchurched people It distills the results of a large scale research project focused on successful pastors of newly developed churches in seven mainline denominations across the U S Drawn from clergy focus groups and a survey of more than 700 effective pastors this study elucidates key leadership qualities that transcend denominational differences Four experts H Stanley Wood Carl S Dudley Darrell L Guder and Robert S Hoyt interpret the data placing the findings in the context of church history current religious demographics theories of leadership and comparison with the FACT study the largest study of worshipping communities ever undertaken An extensive addendum provides profiles of successful new churches and denominational differences

The Ministry of the Word, Vol. 24, No. 08 Various Authors, This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on October 2 4 2020 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is The Christian Life the Church Life the Consummation of the Age and the Coming of the Lord The present age the age of grace the age of the church is the age of mystery and the consummation of the age the end of the age will be the three and a half years of the great tribulation In the dispensations from Adam to Moses and from Moses to Christ everything was unveiled and there was no mystery It will be the same in the dispensation of the millennial kingdom and in the new heaven and new earth However in the dispensation from the incarnation of Christ to the millennial kingdom the church age the age of grace everything is a mystery During the church age the age of mystery Christ is building up the church the Body of Christ to be His bride We need to see the signs of the Lord s second and imminent coming The greatest sign of the end of this age the last three and a half years of the great tribulation is the preaching of the gospel of the kingdom to the whole inhabited earth To be taken by the Lord we need to be those who are watchful for His imminent coming and prepared and ready to be His bride so that we may be raptured before the great tribulation Every day we need to be watchful by paying the price to buy the Spirit as the golden oil so that we may supply the churches with the Spirit for the testimony of Jesus and be rewarded by the Lord to participate in the marriage dinner of the Lamb If we want to save our soul life we will lose it but if we lose our soul life for the Lord s sake we will save it If we allow our soul to suffer the loss of its soulish enjoyment in this age for the Lord s sake we will cause our soul to have its enjoyment in the kingdom age we will share the Lord s joy in ruling over the earth If we lose our soul life we may participate in the rapture of the overcomers The salvation of our soul is our receiving the end of our faith Those who would receive the end of their faith are those whose faith has been proven by fire in this age that is proven by all kinds of circumstances environments and sufferings that cause the loss of their

souls The salvation of the soul means that our soul will be saved from sufferings into the full enjoyment of the Lord at His coming back We must be faithful in service in the Lord s commission to give God as food to the members of His household so that we may win Christ as our reward in the coming kingdom God has set faithful and prudent slaves over His household as household administrators stewards channels of supply to give His people food at the proper time that is to minister the word of God and Christ as the life supply to the believers in the church Furthermore we must be faithful in service in the Lord s gifts to make a profit for Him so that we may enter into the joy of the Lord in the coming kingdom The prayer of the age is the prayer of the church as the Body of Christ the prayer that exercises the authority of Christ as the ascended Lord and Head of the Body for the fulfilling of God s economy To fully enter into this kind of prayer and be able to exercise the authority given by the Head to the Body we need to realize that we are members of the Body and we must live act and move in the Body In His heavenly ministry Christ is interceding ministering and executing God s administration and we need to be those who respond to Christ s activities in His heavenly ministry by our prayers in the church as the temple of God a house of prayer We need revelation to know the reality of the Body of Christ and to enter into the realm and intrinsic significance of the reality of the Body of Christ as God s heart s desire and His ultimate purpose Only a revelation from God will usher us into the realm of the reality of the Body of Christ and only then will the Body become our experience In order to live together with other members in the reality of the Body of Christ we need to have a consciousness of the Body of Christ The overcomers typified by Zion are the reality of the Body of Christ and consummate the building up of the Body in the local churches to bring in the consummated holy city New Jerusalem the Holy of Holies as God s dwelling place in eternity We need to follow Paul s pattern of having an overcoming life of fighting the good fight finishing our course and loving the Lord s appearing To fight the good fight of the faith means to fight for God s New Testament economy in particular it is to fight for Christ as the embodiment of God and for the church as the Body of Christ A proper Christian life involves running the course the race for the carrying out of God s economy according to His eternal purpose We need to seek out the journey that the Lord has ordained for us and faithfully walk on it paying any price to wholeheartedly continue on our journey until we reach the end The journey that the Lord has ordained for us is the race that we must run with endurance by looking away unto Jesus as the Author and Perfector of our faith As those who love the Lord Jesus take Him as our life live Him and magnify Him we should await His coming and love His appearing This should be our heart s desire and our living as those who hope to enter into His joy be saved into the Lord s heavenly kingdom and receive the crown of righteousness God s desire is to end this age and bring in the age of the kingdom In order for God to accomplish this He must have His dispensational instrument All of us should look to the Lord and pray that we will have dispensational value to God Because the church has not attained to God s purpose God will choose a group of overcomers who will attain to His purpose and fulfill His demand this is the principle of the man child The man child consists of the overcomers who stand on behalf of the church take the position that

the whole church should take and do the work for the church The rapture of the man child to heaven the casting of Satan to earth and the declaration in heaven that the kingdom has come signify that God s gaining of the man child is His greatest dispensational move because it brings an end to the church age and introduces the kingdom age The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe Ordinary People in Extraordinary Times Nancy G.

Bermeo,2020-06-16 For generations influential thinkers often citing the tragic polarization that took place during Germany s Great Depression have suspected that people s loyalty to democratic institutions erodes under pressure and that citizens gravitate toward antidemocratic extremes in times of political and economic crisis But do people really defect from democracy when times get tough Do ordinary people play a leading role in the collapse of popular government Based on extensive research this book overturns the common wisdom It shows that the German experience was exceptional that people s affinity for particular political positions are surprisingly stable and that what is often labeled polarization is the result not of vote switching but of such factors as expansion of the franchise elite defections and the mobilization of new voters Democratic collapses are caused less by changes in popular preferences than by the actions of political elites who polarize themselves and mistake the actions of a few for the preferences of the many These conclusions are drawn from the study of twenty cases including every democracy that collapsed in the aftermath of the Russian Revolution in interwar Europe every South American democracy that fell to the Right after the Cuban Revolution and three democracies that avoided breakdown despite serious economic and political challenges Unique in its historical and regional scope this book offers unsettling but important lessons about civil society and regime change and about the paths to democratic consolidation today **The Christian Observer** ,1854 *American Law from a Catholic Perspective* Ronald J.

William Perkins,C. Matthew McMahon,2017-02-08 Preaching today is in rapid decline Pulpits all over the planet are filled with ministers who gain a paycheck but give little else William Perkins explains what it means to be truly called to the holy office of the minister He does this from two principle texts Job chapters 32 33 with emphasis on 33 23 and Isaiah 6 1 13 Perkins says that the words in Job contain a valuable description of a true minister how he is a messenger and an interpreter one in a thousand Then he explains Isaiah 6 1 13 of Isaiah s confirmation showing Isaiah was fearful stunned cast down comforted and renewed in his commission to go and be sent of God to preach for Christ s glory He explains that men ought to consider the extreme presumption of those who rashly enter the ministry Many ministers come into God s presence unsanctified and in their sins little concerned about how loosely they live before their people Perkins will not make the ministry an easy door to open That is because faithful exegesis on important passages about the ministry shows it to be a hard and difficult road Being God s mouthpiece is not an easy task but being called to it is an honor that is inexpressible This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **The report of a special district meeting, of Wesleyan ministers, held at Leeds, 4th Dec., 2nd ed** Wesleyan Methodists Leeds district,1827 **Presidential Constitutionalism in Perilous Times** Scott M.
