Out Of The Transylvania Night:

Out of the Transylvania Night Aura Imbarus, 2012-08-14 I d grown up in the land of TRANSYLVANIA homeland to Dracula Vlad the Impaler and worse the Communist dictator Nicolae Ceausescu who turned Romania into a land of gray clad zombies who never dared to show their individuality and where neighbors became informants and the Securitate made people disappear writes the author Daylight empowered the regime to encircle us like starved wolves and so night had always been the time to steal a bit of freedom As if bred into our Transylvanian blood we were like vampires who came to life after sundown I buried the family jewels and left my outpost to join the action tonight Ceausescu would die Known for using stand ins to pose for him Aura doubts if it was even Ceausescu himself who was killed that night Nevertheless when her countrymen topple one of the most draconian regimes in the Soviet bloc Aura Imbarus tells herself that life post revolution will be different But little in the country changes With two pieces of luggage and a powerful dream Aura and her new husband flee to America Through sacrifice and hard work the couple acquire the American Dream but discover that straddling two cultures is much more complicated than they expect **Romania** Sean Sheehan, Debbie Nevins, 2015-07-15 Romania has had a tumultuous history of changing leadership and contested land Marked by revolution with a strong cultural history preserved in artifacts and traditions today Romanians are among some of the most enduring peoples of the European Union All books of the critically acclaimed Cultures of the World series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy to follow recipe Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of Life **The Maybelline Story and the Spirited Family Dynasty Behind It** Sharrie Williams, Bettie Youngs, 2012-10-04 In 1915 when a kitchen stove fire singed his sister Mabel s lashes and brows Tom Lyle Williams watched in fascination as she performed a secret of the harem mixing petroleum jelly with coal dust and ash from a burnt cork and apply it to her lashes and brows Mabel s simple beauty trick ignited Tom Lyle s imagination and he started what would become a billion dollar business one that remains a viable American icon after nearly a century He named it Maybelline in her honor Throughout the 20th century the Maybelline Company inflated collapsed endured and thrived in tandem with the nation s upheavals as did the family that nurtured it Setting up shop first in Chicago Williams later to avoid unwanted scrutiny of his private life cloistered himself behind the gates of his Rudolph Valentino Villa and ran his empire from a distance Now after nearly a century of silence this true story celebrates the life of an American entrepreneur a man whose vision rocketed him to success along with the woman held in his orbit Evelyn Boecher who became his lifelong fascination and muse Captivated by her roaring charisma he affectionately called her the real Miss Maybelline and based many of his advertising campaigns on the woman she represented commandingly beautiful hard boiled and daring Evelyn masterminded a life of vanity but would fall prey to
