Out This World North Poets:

Pedley's Northern poetry cards Arthur Pedley, 1895 *A Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang, 2018-05-01 In *A Dialogue between Haizi's Poetry and the Gospel of Luke* Xiaoli Yang offers a conversation between the Chinese soul searching found in Haizi's 1964-1989 poetry and the gospel of Jesus Christ through Luke's testimony. It creates a unique contextual poetic lens that appreciates a generation of the Chinese homecoming journey through Haizi's poetry and explores its relationship with Jesus Christ. As the dialogical journey, it names four stages of homecoming: roots, vision, journey, and arrival. By taking an interdisciplinary approach, literary study, inter-cultural dialogue, and comparative theology, Xiaoli Yang convincingly demonstrates that the common language between the poet Haizi and the Lukan Jesus provides a crucial and rich source of data for an ongoing table conversation between culture and faith. When the Light of the World Was Subdued, Our Songs Came Through Joy Harjo, 2020-08-25 Selected as one of Oprah Winfrey's Books That Help Me Through United States Poet Laureate Joy Harjo gathers the work of more than 160 poets representing nearly 100 indigenous nations into the first historically comprehensive Native poetry anthology. This landmark anthology celebrates the indigenous peoples of North America, the first poets of this country whose literary traditions stretch back centuries. Opening with a blessing from Pulitzer Prize winner N. Scott Momaday, the book contains powerful introductions from contributing editors who represent the five geographically organized sections. Each section begins with a poem from traditional oral literatures and closes with emerging poets ranging from Eleazar, a seventeenth-century Native student at Harvard, to Jake Skeets, a young Diné poet born in 1991, and including renowned writers such as Luci Tapahonso, Natalie Diaz, Layli Long Soldier, and Ray Young Bear. *When the Light of the World Was Subdued, Our Songs Came Through* offers the extraordinary sweep of Native literature without which no study of American poetry is complete. *Northern Irish Poetry and Theology* G. McConnell, 2014-06-17 *Northern Irish Poetry and Theology* argues that theology shapes subjectivity, language, and poetic form and provides original studies of three internationally acclaimed poets: Seamus Heaney, Michael Longley, and Derek Mahon. **North Writers** John Henricksson, 2000-04-25 To early French explorer it was Bois Forts; the Strong Woods. This land, sweeping north and west from Lake Superior's western shore, is primarily boreal forest, rivers, and lakes with cliffs formed by prehistoric volcanoes and glacial ice. The lure of this land is the unifying force behind Henricksson's anthology. Through its stories, the land is celebrated, cursed, glorified, and explored by writers who simultaneously reveal themselves, their cultures, and their roots. Annotation copyrighted by Book News Inc., Portland, OR. The Great War in Irish Poetry Fran Brearton, 2003 *The Great War in Irish Poetry* explores the impact of the First World War on the work of W. B. Yeats, Robert Graves, and Louis MacNeice in the period 1914-45 and on three contemporary Northern Irish poets: Derek Mahon, Seamus Heaney, and Michael Longley. Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century. The historical background to Irish involvement in the Great War is explained, as are the ways in which issues raised in 1912-20

still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914 18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon

Handbook of Poetic Forms Jessica Bundschuh, Irmtraud Huber, 2025-10-06 This Handbook of Poetic Forms aims to offer historically informed approaches to a wide variety of poetic forms A particular emphasis will be on considering poetic form in dialogue with the cultural context in which it is being used as well as within the literary tradition of each form and to explore the stable as well as the historically variable affordances of each form in such contexts Hereby the focus lies on prescriptive forms that is on poetic forms which are defined by or at least associated with specific metrical stanzaic or overall structures or the absence of such rather than poetic genres that are primarily characterised by similarities in subject matter like the elegy or the ode While this Handbook should be accessible to students its aim is not to offer basic introductions but rather to broaden a historical and functional understanding of the poetic forms it covers and to engage with poetic forms not as givens but as historically contingent processes of formation Above all this Handbook's formalism is new formalist in emphasising historical awareness and contextualisation
