A photograph of the New York City skyline at sunset. The Freedom Tower is the central focus, with its spire reaching into a blue sky with scattered white clouds. To its left is the cylindrical United Nations Secretariat Building. To its right are several other skyscrapers, including the MetLife Building and the Bank of America Tower. The sun is setting behind the buildings on the right, creating a bright orange and yellow glow that reflects on the water in the foreground. The water is dark blue with some whitecaps.
