Our Time On The River:

Our Times, Our Lives Eve Otto, Jozef Otto, 2004-11 Eve Otto explains When I began writing this book I had in the back of my mind that those who are young now might someday be interested in what life was like when their grandparents were growing up how life changed drastically with the coming of World War II in Europe and the turbulent years that followed the traumas of our emigration to America with our three young children and the difficult adjustments we had to make My book then is sort of a legacy to them

Our Time But Not Our Place Myra Jean Bourke, Susanne Holz, Kathy Kituai, Linda Roach, 2015-05-01 Over the years thousands of women mostly Australians have lived as expatriates in Papua New Guinea We went there at different points in our lives and for a variety of reasons Some of us were keen to go we were looking for adventure in exotic surroundings seeking our fortunes changing jobs running away from unhappy situations furthering our professional or academic interests Many of us were motivated to go to a developing country to do good Others went because their partners or their parents had an ambition an obsession or a contract All have stories to tell So begins *Our Time But Not Our Place* in which 31 women tell us of their experiences of Papua New Guinea Their voices are as diverse as the encounters they describe their stories span the time between 1930 and 1990 together their responses challenge commonly held views of the expatriate condition

Unveiling the End Times in Our Time Adrian Rogers, Steve Rogers, 2013-09-15 The one who reads this is blessed and those who hear the words of this prophecy and keep what is written in it are blessed because the time is near Revelation 1 3 HCSB Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the blessing book of Revelation with *Unveiling the End Times in Our Time* Indeed Revelation offers every Christian believer a dramatic and hope filled overview of what the end of days will be like Although some think Revelation is confusing or even scary with its talk of dragons and beasts the text contains a proper understanding of where his tory is headed Rogers makes clear how the signs of the times already reveal God s plan for bringing his people to full redemption empowering us to live boldly while expecting the return of King Jesus as the triumphant Lamb

Embracing Our Time Lynn A.

Cooper,2025-05-13 Catholicism entails a challenge The word catholic means universal Yet that universality is expressed through different rites languages jurisdictions and states of life that are unique and concrete Today Catholicism s universality faces a still further challenge It must share the world not only with Protestants of various kinds but also with adherents of other faiths and none In the decades since Vatican II and the promulgation of *Nostra Aetate* the question of religious difference has itself become more concrete Muslims Jews Buddhists and Hindus live among and alongside Protestants and Catholics in neighborhoods across the globe How does this practical reality square with Catholicism s understanding of itself and its neighbors In *Embracing Our Time* university chaplain Lynn Cooper provides practical resources for interfaith engagement rooted in a Catholic perspective Drawing on Trinitarian sacramental and feminist theologies Cooper shows that interreligious collaboration is a concrete expression of the interdependence at the heart of Catholic faith *Embracing Our Time* centers the lived experiences of Catholics and employs theological reflection composite storytelling and spiritual provocations to guide readers on an inner journey inviting them to a deep reading of their lives and communities Cooper empowers lay folks to be conscientious interfaith leaders within their communities and congregations not because they are experts in their tradition but because the Christian call to friendship across and within difference is at the heart of what it means to follow Jesus
