CHARLES DICKENS

Our Mutual Friend

Our Mutual Friend Penguin Classics

Adrian Poole

Our Mutual Friend Penguin Classics:

Penguin Classics Introduction to Our Mutual Friend by Charles Dickens (Penguin Classics) Adrian Poole, 1997 Our Mutual Friend (Penguin Classics) (illustrated) Charles Dickens, 2021-09-24 Our Mutual Friend written in 1864 1865 is the last novel completed by Charles Dickens and is one of his most sophisticated works combining savage satire with social analysis. It centres on in the words of critic J Hillis Miller quoting from the character Bella Wilfer in the book money money money and what money can make of life. Most reviewers in the 1860s continued to praise Dickens skill as a writer in general but did not review this novel in detail. Some found the plot both too complex and not well laid out. The Times of London found the first few chapters did not draw the reader into the characters. In the 20th century however reviewers began to find much to approve in the later novels of Dickens including Our Mutual Friend. In the late 20th and early 21st centuries some reviewers suggested that Dickens was in fact experimenting with structure and that the characters considered somewhat flat and not recognized by the contemporary reviewers. 6 were meant rather to be true representations of the Victorian working class and the key to understanding the structure of the society depicted by Dickens in the novel **Our Mutual Friend** Charles Dickens, 2021-02-07 A satiric masterpiece about the allure and peril of money. Our Mutual Friend revolves around the inheritance of a dust heap where the rich throw their trash. When the body of John Harmon the dust heap s expected heir is found in the Thames fortunes change hands surprisingly raising to new heights Noddy Boffin a low born but kindly clerk who becomes the Golden Dustman. Charles Dickens s last complete novel Our Mutual Friend encompasses the great themes of his earlier works the pretensions of the nouveaux riches the ingenuousness of the aspiring poor and the unfailing power of wealth to corrupt all who crave it. With its flavorful cast of characters and numerous subplots Our Mutual Friend is one of Dickens s most complex and satisfying novels *Charles Dickens's Our Mutual Friend* Sean Grass, 2017-05-15 Even within the context of Charles Dickens s history as a publishing innovator Our Mutual Friend is notable for what it reveals about Dickens as an author and about Victorian publishing. Marking Dickens s return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in All the Year Round Our Mutual Friend emerged against the backdrop of his failing health troubled relationship with Ellen Ternan and declining reputation among contemporary critics. In his subtly argued publishing history Sean Grass shows how these difficulties combined to make Our Mutual Friend an extraordinarily odd novel no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall its transformation from a serial into British and U S book editions its contemporary reception by readers and reviewers and its delightfully uneven reputation among critics in the 150 years since Dickens s death. Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident information on archival materials transcripts of all of the contemporary reviews and a select bibliography of editions Grass s book shows why this last of Dickens s finished novels continues to intrigue its readers and critics *A Research Guide to Gothic Literature in English* Sherri L. Brown, Carol

Senf, Ellen J. Stockstill, 2018-03-15 The Gothic began as a designation for barbarian tribes was associated with the cathedrals of the High Middle Ages was used to describe a marginalized literature in the late eighteenth century and continues today in a variety of forms literature film graphic novel video games and other narrative and artistic forms Unlike other recent books in the field that focus on certain aspects of the Gothic this work directs researchers to seminal and significant resources on all of its aspects Annotations will help researchers determine what materials best suit their needs A Research Guide to Gothic Literature in English covers Gothic cultural artifacts such as literature film graphic novels and videogames This authoritative guide equips researchers with valuable recent information about noteworthy resources that they can use to study the Gothic effectively and thoroughly

Criminals as Animals from Shakespeare to Lombroso Greta Olson, 2013-12-12 Criminals as Animals from Shakespeare to Lombroso demonstrates how animal metaphors have been used to denigrate persons identified as criminal in literature law and science Its three part history traces the popularization of the criminal beast metaphor in late sixteenth century England the troubling of the trope during the long eighteenth century and the late nineteenth century discovery of criminal atavism With chapters on rogue pamphlets Shakespeare Webster Jonson Defoe and Swift Godwin Dickens and Lombroso the book illustrates how ideologically inscribed metaphors foster transfers between law penal practices and literature Criminals as Animals concludes that criminal animal metaphors continue to negatively influence the treatment of prisoners suspected terrorists and the poor even today

The Family Novel in Russia and England, 1800-1880 Anna A. Berman, 2022 An in depth comparative analysis of the family novel as it developed as a genre in Russia and England during the course of the nineteenth century

The Oxford Handbook of the Victorian Novel Lisa Rodensky, 2013-07-11 Much has been written about the Victorian novel and for good reason The cultural power it exerted and to some extent still exerts

is beyond question The Oxford Handbook of the Victorian Novel contributes substantially to this thriving scholarly field by offering new approaches to familiar topics the novel and science the Victorian Bildungroman as well as essays on topics often overlooked the novel and classics the novel and the OED the novel and allusion Manifesting the increasing interdisciplinarity of Victorian studies its essays situate the novel within a complex network of relations among for instance readers editors reviewers and the novelists themselves or among different cultural pressures the religious the commercial the legal The handbook s essays also build on recent bibliographic work of remarkable scope and detail responding to the growing attention to print culture With a detailed introduction and 36 newly commissioned chapters by leading and emerging scholars beginning with Peter Garside s examination of the early nineteenth century novel and ending with two essays proposing the last Victorian novel the handbook attends to the major themes in Victorian scholarship while at the same time creating new possibilities for further research Balancing breadth and depth the clearly written nonjargon laden essays provide readers with overviews as well as original scholarship an approach which will serve advanced undergraduates graduate students and established scholars As the Victorians get further away from us our versions of their culture and its novel inevitably change this Handbook offers fresh explorations of the novel that teach us about this genre its culture and by extension our own

The Fictions of Language and the Languages of Fiction Monika Fludernik, 2003-12-16 Monika Fludernik presents a detailed analysis of free indirect discourse as it relates to narrative theory and the crucial problematic of how speech and thought are represented in fiction Building on the insights of Ann Banfield s *Unspeakable Sentences* Fludernik radically extends Banfield s model to accommodate evidence from conversational narrative non fictional prose and literary works from Chaucer to the present Fludernik s model subsumes earlier insights into the forms and functions of quotation and aligns them with discourse strategies observable in the oral language Drawing on a vast range of literature she provides an invaluable resource for researchers in the field and introduces English readers to extensive work on the subject in German as well as comparing the free indirect discourse features of German French and English This study effectively repositions the whole area between literature and linguistics opening up a new set of questions in narrative theory
