Out Of Passau Leaving A City Hitler Called Home:

Out of Passau Anna Rosmus,2004 Born in 1960 to a middle class Roman Catholic family Rosmus had lived in Passau Germany her entire life yet she was unaware that the father of Heinrich Himmler had once been a professor at the college preparatory high school she attended or that Adolf Hitler and other prominent Nazi Party members had grown up just across the Danube River in Austria Since Rosmus had no knowledge of these and other Nazi affiliations and activities in her hometown she embarked on her essay project confident that the Passau citizenry would be proud of her findings Rosmus had no inkling she had just begun what would become a lifelong effort to uncover Passau s buried complicity in the crimes of the Nazi state an effort that would bring overwhelming gratitude from the international Jewish community but contempt and ostracism from the people whom she had known all her life

Out of Passau Anna Elisabeth Rosmus,2014-02-11 The true story behind the film *The Nasty Girl* A memoir by a German woman who uncovered her hometown s war crimes and complicity with the Nazis Nestled along the Danube in southern Germany Passau is a pleasant tourist destination known for its historic buildings and scenic views at the intersection of three rivers But for decades the small Bavarian city suppressed an intimate association with Adolf Hitler and the Third Reich Born in Passau in 1960 Anna Rosmus discovered those dark secrets as a teenager sordid stories of slave labor forced abortions and a massacre of Russian POWs In 1994 she set out to commemorate the forgotten Holocaust victims who had died there expecting little if any controversy What she encountered instead was an obstructionist city council a virulently resentful local population and an unsettling degree of latent anti-Semitism in a town whose several hundred Jewish citizens had been sent to concentration camps Eventually the death threats led to her own emigration from Germany to the United States Anna Rosmus has been hailed by Marc Fisher of the Washington Post as a rigorous researcher burning with a passion to tell the story that must be told In *Out of Passau* she explores not only the disturbing World War II history of her hometown but also the life changing fallout that resulted from her determination to recognize those who had lost their lives

Focus On: 100 Most Popular Former Roman Catholics Wikipedia contributors, *Re-examining the Holocaust through Literature* Aukje Kluge,Benn E. Williams,2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

Catholicism and the Roots of Nazism

Derek Hastings,2011 Derek Hastings illuminates an important and largely overlooked aspect of Nazi history revealing National Socialism s close early ties with Catholicism in the years immediately after World War I when the movement first emerged Jacket Between Yesterday and Tomorrow Christian Bailey,2013-10-01 An intellectual and cultural history of mid twentieth century plans for European integration this book calls into question the usual pre and post war periodizations that have structured approaches to twentieth century European history It focuses not simply on the ideas of leading politicians but analyses debates about Europe in civil society and the party political sphere in Germany asking if and how a permissive consensus was formed around the issue of integration Taking Germany as its case study the book offers context to the post war debates analysing the continuities that existed between interwar and post war plans for European integration It draws attention to the abiding scepticism of democracy displayed by many advocates of integration indeed suggesting that groups across the ideological spectrum converged around support for European integration as a way of constraining the practice of democracy within nation states **Annotated Books Received** ,2002 ADOLF HITLER Pikiran, Tindakan dan Catatan-Catatan Kelam Sang Diktator yang Disembunyikan M. Muhibbuddin,2020 Dalam buku ini kita akan membaca tentang pikiran tindakan dan catatan catatan kelam Hitler baik yang telah dikuak secara nyata di mata publik maupun yang banyak disembunyikan Buku ini berbeda dengan buku lainnya karena menguak secara khusus pikiran dan tindakan Hitler yang tersusun dalam catatan catatan kelam sejarah pembantaian manusia Dengan membaca sejarah hidup Hitler kita berharap agar tragedi seperti itu tidak perlu terulang kembali di hari ini dan di masa mendatang Judul ADOLF HITLER Pikiran Tindakan dan Catatan Catatan Kelam Sang Diktator yang Disembunyikan Ukuran 14 cm x 20 5 cm Jumlah halaman 280 Tahun 2020 Kertas Bookpapert ISBN 978 623 7910 41 1 Choice ,2003 *Yearbook of German-American Studies* ,2005
