Outrageous Object Lessons:

Outrageous Object Lessons E. G. Von Trutzschler, 1987 *Object Lessons for a Year (Object Lesson Series)* David J. Claassen, 1987-01-01 This indispensable easy to use tool for Sunday school teachers and pastors offers a year's worth of attention grabbing object lessons Guaranteed to spice up any story time or lesson **Outrageous Grace** Grace L. Fabian, 2013-06 That morning a beautiful day on the tropical island of Papua New Guinea Grace Fabian brimmed in excitement over the idea that she and her husband Edmund were close to finishing their missionary project the translation of the Nabak New Testament But while in the midst of translating the love chapter 1 Corinthians 13 someone murdered Edmund In this memoir Grace narrates the couple's life story of their separate journeys before they met to their shared life as missionaries She tells the story of how she and her four children wrestled with grief and disorientation after Edmund's murder She speaks of the family's quest for answers and of the difficulty of meshing two different worlds the culture of the Nabak people in Papua New Guinea and of her Christian heritage from the United States Grace shares how she faced the challenges of forgiving the murderer having rocks thrown at their home receiving eviction notices and navigating a court case in a foreign country Outrageous Grace shows how Grace and her children discovered that God orchestrated an amazing story of redemption and forgiveness *A Youth Ministry Crash Course* Rick Bundschuh, E. G. Von Trutzschler, 1997-01-21 Youth ministry fundamentals at your fingertips Or call it a light hearted primer to a serious subject A Youth Ministry Crash Course is 150 to the point entries on issues you face every week topics that are described simplified illustrated and occasionally tweaked by a couple of veteran youth workers who've acquired a pragmatic streak alongside their compassion for teenagers Inside you'll find shrewd insight with a wry twist On Curricula You know your kids better than some editor working away in a cubical somewhere Change material to suit your group and chuck what doesn't fly On Recycling Students cycle in and out of your youth group every three or four years so recycle your program themes and events that often too On Rules Never make one when you're tired or ticked off On Sacred Cows Learn what they are and keep your kids away from them you'll add longevity to your job E.g. no pew hurdling in the million dollar sanctuary during youth night On Spiritual Growth The kid that grows the fastest may not grow the deepest Don't overlook the one who grows slowly but steadily Whether you're new to youth ministry a Sunday school teacher of junior or senior highs a volunteer or a veteran with a novice staff in Crash Course you'll find instructions motivation and reminders of what the glorious hectic calling of youth ministry is all about *Reading Victorian Schoolrooms* Elizabeth Gargano, 2013-10-31 *Reading Victorian Schoolrooms* examines the numerous schoolroom scenes in nineteenth century novels during the fraught era of the Victorian education debates As Gargano argues the fiction of mainstream and children's writers such as Dickens Bront and Carroll reflected widespread Victorian anxieties about the rapid institutionalization of education and the shrinking realm of domestic instruction As schools increasingly mapped out a schema of time schedules standardized grades or forms separate disciplines

and hierarchical architectural spaces childhood development also came to be seen as regularized and standardized according to clear developmental categories Yet Dickens Bront and others did not simply critique or satirize the standardization of school experience Instead most portrayed the schoolroom as an unstable site incorporating both institutional and domestic space Drawing on the bildungsroman's traditional celebration of an individualized experiential education numerous novels of school life strove to present the novel itself as a form of domestic education in contrast to the rigors of institutional instruction By positioning the novel as a form of domestic education currently under attack these novelists sought to affirm its value as a form of protest within an increasingly institutionalized society The figure of the child as an emblem of beleaguered innocence thus became central to the Victorian fictive project
