

THE OUTSIDERS Study Guide Answers

Chapters 1-2

1. Identify Darry, Sodapop, and Ponyboy by giving at least 3 descriptions of each.

- Darry - oldest brother, 20, roofer, former football player
- Sodapop - middle brother, 16, dropout, works at gas station
- Ponyboy - youngest brother, 14, good grades, runs track

2. How are Greasers different from Socs?

- the way they dress
- money
- how they express their emotions

3. Who were other members of Pony's gang?

- Two-Bit Matthews - 20, wisecracker of the bunch
- Steve Randall - 17, Soda's best friend, works part-time at gas station
- Johnny Cade - 16, beaten up by Socs before beginning of novel, idolizes Dally
- Dallas (Dally) Winston - 17, street tough, in/out of jail, loves Johnny

4. What happened to Pony on his way home from the movies?

- Pony was jumped by a group of Socs that were riding in a blue mustang
- they threatened to cut his hair off
- the gang came running and scared Socs away

5. Who did Dally, Johnny, and Ponyboy meet at the Nightly Double?

Cherry Valance and her friend, Marcia - Socs

6. Contrast Dally's approach to Cherry and Marcia with Pony's.

- Dally was tuff, crude, and obnoxious
- Ponyboy was kind, respectful, and understanding

7. Contrast Cherry's response to Dally with her response to Pony.

- Cherry believed that she could fall in love with Dally due to his wild, independent spirit

A-Z of Inclusion in Early Childhood Mary Dickins, 2014-02-16 The concept of inclusion is complex and messy and although many definitions abound it has never been fully clarified in legislation and guidance The purpose of this book is to consider how professionals working with young children and their families can better understand the concept of inclusion and successfully establish examine and evaluate the building blocks and framework that should underpin inclusive practice This book represents a genuine attempt to identify the challenges and barriers to inclusion for all children to understand them and in some measure to suggest how they might be overcome This book is particularly important because It is based on a broad understanding of inclusion that embraces all forms of difference including race gender ability and class It draws on

good practice developed over the years and describes challenges for the future It takes into account contemporary issues such as austerity measures cuts to public services and a changing political landscape It brings the reader up to date with current theory analysis controversies and debates This book is essential reading for early years professionals and students who wish to increase their knowledge and understanding of these issues which can divide society especially in terms of the impact on young children and their families Mary Dickins has given us a book which is a beautifully written guide to the principles and practice of inclusion in young children s care and education For some this will be an introduction to for others a reminder of knowledge and skills which we have developed over many years but which are too often misunderstood or ignored Through her alphabetical approach it is possible to address a huge number of issues in a very accessible way either dipping into it as needed or reading from beginning to end as a story of how we can improve the experiences of young children in childcare and every entry comes with a list of references to enable readers to take the subject further Informing the whole book is her knowledge and experience of this issue and her passion to support the development of a shared vision and understanding of it As she says inclusion is not a fixed state we all have responsibility and a role to play in challenging discrimination and oppression Sue Owen Independent early years consultant I have learnt a lot from reading this book and there is a lot to learn Its scope is so enormous that inevitably it cannot cover everything for example my pet topic of the power of assumptions It identifies the complexities of the various aspects of inclusion and touches on the inter relatedness of many for example race and class As readers dip into it I hope it will trigger further reading on particular issues and also stimulate more discussion of how institutional procedures and practices deeply embedded in our society the system remain barriers to inclusion We all need to identify understand and break down such barriers so that every one of our precious children wherever they are feel they truly belong Jane Lane Advocate worker for racial equality in the early years Mary Dickins has long experience in early years and equality issues and writes from a defined value system She encourages a proactive and anti discriminatory approach which contributes to the development of in her words a shared vision understanding and sense of purpose Mary stresses the importance of individual responsibility and transfer of specialist skills to a mainstream context This book is a good addition to the continuing debate on inclusion from a clear children s rights perspective and a valuable resource for the early years sector providing a framework to embed effective inclusive practice Julie Jennings Royal National Institute of Blind People UK

CFE Study Guide 2025-2026 Brielle Morgan,2025-09-07

The Invention of ›Outsider Art‹ Marion Scherr,2022-09-01 What does it mean to be called an Outsider Marion Scherr investigates structural inequalities and the myth of the Other in Western art history examining the role of Outsider Art in contemporary art worlds in the UK By shifting the focus from art world professionals to those labelled Outsider Artists she counteracts one sided representations of them being otherworldly raw and uninfluenced Instead the artists are introduced as multi faceted individuals in constant exchange with their social environment employing diverse strategies in dealing with

their exclusion The book reframes their voices and artworks as complex serious and meaningful cultural contributions and challenges their attested Otherness in favour of a more inclusive all encompassing understanding of art *Federal Probation* ,1965
