Uncovering the Theme of Revelation in Romans 1:16-3:26 Marcus A. Mininger, 2017-09-19 Past study of Rom 1:16-3:26 focuses on individual salvation or on social relations and also produces a host of interpretative quandaries Marcus A Mininger develops a new approach which includes but goes beyond these foci by unearthing the theme of revelation that runs throughout Paul's argument largely unnoticed More than a proof of sin or of social equality Paul provides a survey of numerous visible revelations in which otherwise invisible realities like God's wrath the power of sin and God's righteousness are seen through the observable effects they produce in different people Read this way the rationale of Paul's argument becomes quite clear including for problem texts like Rom 2 and 3:1-8 as Paul proves that the gospel not the law overcomes sin's power and that God's righteousness always exists in contrast to the human condition in this age From publisher's description

The Texas 7 Gary C. King, 2001-04-16 A true crime story of a 2000 Texas prison break and the deadly manhunt that followed in its wake You haven't heard the last of us yet These were chilling words on a note left behind by seven armed and dangerous inmates who escaped from the John Connally prison in South Texas on December 13, 2000 Their promise has apparently been fulfilled The inmates now known as the Connally Seven are suspected of having first robbed a Radio Shack in Houston and then days later on Christmas Eve of having fatally shot and run over a young police officer during an assault on a Dallas sporting goods store For six frantic weeks a massive manhunt

with a significant reward had only turned up dead ends until a tip came in from someone who had seen the gang on Fox TV's America's Most Wanted. Authorities arrested four of the seven prisoners including suspected ringleader George Rivas in Woodland Park, Colorado, and a fifth inmate shot himself during police negotiations. Immediately intensifying the search for the last two heavily armed and dangerous prisoners, police and FBI closed in on them at a Holiday Inn in Colorado Springs just two days following the previous arrest. After five hours and a telephone interview with a TV news station in which they expressed their feeling that the breakout was a statement against Texas's judicial system, the two inmates surrendered themselves, putting an end to a long and frightening episode. The Texas 7 goes behind the scenes to give you a detailed, fascinating account of the events leading up to and after their brazen prison escape and the exciting chase that ultimately led to their capture.

Poetry and Revelation Kevin Hart, 2017-04-20 Religious poetry has often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience, whereas religious poetry is taken to be based on faith that is on second or third hand experience. The best methods of thinking about experience are given to us by phenomenology. Poetry and Revelation is the first study of religious poetry through a phenomenological lens, one that works with the distinction between manifestation in which everything is made manifest and revelation in which the mystery is re-veiled as well as revealed. Providing a phenomenological investigation of a wide range of religious poems, some medieval, some modern, some written in English, others written in European languages, some from America, some from Britain, and some from Australia, Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself.

Lost and Found Michael A. Milton, 2024-03-13 No one doubts we have quickly moved to what Charles Taylor called a secular age. How do Christian pastors, professors, seminary students, and others respond to the myriad issues now facing the Body of Christ? Following on a biblical and reformed understanding of public theology, Milton, along with trusted theologians John Frame, George Grant, Peter Lillback, and a special contribution from noted Orthodox economist and theologian John Panagiotou, not only provide biblical responses to the issues of our time but in doing so give the Church a method, a way to conduct faithful Gospel ministry in an increasingly hostile post-Christian world. A must for classes on ethics, sociology of religion, pastoral theology, and serious-minded Christians seeking insight that they might understand of the times. 1 Chr 12:32

Der Erste und der Letzte Ekkehardt Müller, 2011 Dieser Band versteht sich als Beitrag zur Auslegung der Johannes Apokalypse auf Grundlage einer positiven biblisch-historischen Ausrichtung. Dabei deutet der Autor dieses einzigartige Buch aus Sicht der Siebenten-Tags-Adventisten, die sich der biblischen Apokalyptik und Eschatologie verpflichtet fühlen. Obwohl sich das Werk mit hermeneutischen Fragen beschäftigt und versucht, große Teile der Offenbarung zu interpretieren, geht es doch darüber hinaus, indem es nicht einfach nur Endzeit-Szenarien vermittelt, sondern die großen theologischen Linien der Apokalypse nachzeichnet. Der Band weist vor allem auf den dreieinigen Gott hin und auf Jesus Christus, den Ersten und Letzten, dessen Offenbarung die Apokalypse ist.
