experiences in the new South American colony It is one of the earliest English novels Interest in it has increased since the 1970s critics arguing that Behn is the foremother of British women writers and that Oroonoko is a crucial text in the history of the novel Aphra Behn 1640 1689 was a prolific dramatist of the English Restoration the first English professional female literary writer Her writing contributed to the amatory fiction genre of British literature Along with Delarivier Manley and Eliza Haywood she is sometimes referred to as part of The fair triumvirate of wit Behn's work Oroonoko 1688 is critically acknowledged as important to the development of the English novel She was also a key writer in seventeenth century theatre She is perhaps best known to modern audiences for her short novel His and Hers Ann Messenger, 2021-10-21 Exploring territory seldom visited by feminist scholars Ann Messenger in this new book presents eight studies of literary relationships between men and women writers ranging from the Restoration to the end of the eighteenth century The essays show men and women working together praising and criticizing each other's work borrowing and changing each other's plots and characters recording their different perceptions of their common world From Dryden's praise of Anne Killigrew through Gay's and Lady Mary Wortley Montagu's collaboration on a town eclogue Thomas Southerne's dramatizations of novels by Aphra Behn and Eliza Haywood's version of the Spectator to Cornelia Knight's sequel to Rasselas these relationships demonstrate that men and women writers inhabited the same literary world shared the traditions of the mainstream of English literature Most of the women have since faded from view But Messenger suggests the time has come to rediscover them to reassess their work and to revise the commonly accepted canon of literature accordingly Although most of the studies deal with the way women's writing responds to writing by men the Afterword combats the charge that the women's work is derivative Free of critical jargon and ideological strait jacketing His and Hers makes some little known writers available and interesting to specialists and nonspecialists feminists and traditionalists alike while it sheds new light on some of the most familiar figures of the period The Appendix reprints some of the shorter works which have been analyzed in detail and summaries in the text help to compensate for the unavailability of some of the women's books The comparative approach suggests a wide and rich field for further research **A Royal Slave as Colonial Criticism in Aphra Behn's "Oroonoko"** Alexandra

Baum, 2014-12-18 Seminar paper from the year 2014 in the subject English Language and Literature Studies Literature grade 2.7 University of Freiburg Anglistik Amerikanistik language English abstract Aphra Behn's narrative Oroonoko or the Royal Slave was published one year before her death in 1688 at a time when the Atlantic Slave Trade and African Slavery were in full blossom as a result of European Colonialism The story is about the curious case of the gallant prince Oroonoko who got pulled into slavery and was deported to the British colony of Surinam in the 1660s Behn's work combines different genres of texts such as the travel narrative the romance but most importantly social criticism Although Oroonoko is regarded as a literary work by many scholars that has advanced and supported the cause for the abolition of slavery in Britain as well as in its colonies it is in fact a non anti slavery text The author does not touch the pressing issue of slavery as such because she

presents us with a rare and exceptional kind of slave Nevertheless the book clearly illustrates through the depiction of its hero the injustice cruelty and arbitrariness of slavery that has been brought upon the African peoples by European Colonialism In this paper I will show Behn s unusual presentation of a royal slave in order to criticize British Colonialism first by giving a brief overview on Transatlantic African slavery that is portrayed in early modern literature second by analyzing the depiction of slaves in Behn s narrative with a special focus on Oroonoko the royal slave and finally by illustrating Behn s necessity for choosing a tragic hero who could have never been protected from the depths of slavery by his royal status
