Grandma Series Volume Ii Lydia Bongcaron Wade,2013-04-30 Join grandma as she

goes back to 1975 when her travels began Ride walk fly or sail with her and explore the vastness and richness of the world Visit the countryside the cities states and countries endowed with beauty and splendor experience unique new places full of surprises Be awed by magnificent buildings structures and ruins of the ancient world Bask in the warm sunshine and the white beaches of the Caribbean or the Pacific Islands Be enthralled by the magic of the Mediterranean sunsets or marvel at the breathtaking views of the Alps Enjoy flying over the blue skies sail on the calm smooth seas or endure the turbulent oceans on modern ships with friendly crew who would pamper you with everything they have to offer On the other hand accept the fact that traveling is not all fun In pursuing pleasure problems are inevitable as grandmas travels indicate Dont be discouraged If you like to travel go for it when and while you can *In Pursuit of Poem Shadows* Kay Pritchett,2011-04-07 Born in the small Extremaduran town of Moraleja in 1946 Spanish poet Pureza Canelo at the age of twenty five published her first collections of poetry *Celda verde* and *Lugar com n* winner of the 1970 Adonais Prize By 1979 she had settled upon an understanding of her own aesthetic evolution which she elaborated in *Habitable Primera po tica* Then in 1986 after a period of disenchantment with the written word during which she published only two chapbooks *Espacio de emoci n* 1981 and *Vega de la paloma* 1984 she redefined her position in *Tendido verso Segunda po tica* Designed to complement Nature s Colloquy with the Word Pureza Canelo s First Poetics Bucknell 2004 the current text deciphers the intricate poetic language of the poet s mature works which at the time of writing included the two above mentioned chapbooks as well as *Tendido verso Pasi n in dita* 1990 and *No escribir* 1999 The author traces recurrent aesthetic and philosophical positions that serve to differentiate the poet s first and second poetics *Tendido verso* is the volume in which temporality supersedes essence and in so doing breaks with insights expressed by Juan Ram n Jim nez during his Modernist phase In *Pasi n in dita* the intimate pronominal discourse between poet and creative other allows them to coalesce into an indeterminate being At this point the desired goal of the creative process is achieved the holy wedding hieros gamos of poet and creative other occurs *No escribir* abandons the struggle of Canelo s previous books and carries out the method prescribed by her second poetics She recognizes that only the creative process can satisfy her desire and that love the dominant symbol for creation indeed allows the pain of poetic failure to cease Passion nonetheless must stop short of fulfillment since the written poem laden with the poet s gaze and subjectivity cannot exist apart from its shadow **The International Film Index, 1895-1990: Film titles** Alan Goble,1991 **The Price of the Game** Eva Fischer-Dixon,2016-03-24 Addison Brooke Theron considered herself a fortunate woman She had a great career as an immigration attorney a loving and successful husband and two beautiful children Unexpectedly her entire life was shattered one rainy night with unspeakable consequences After almost a year of

trying to recover physically and mentally she returned to work at her friends law firm No longer her psychiatrist Dr David Cooper confessed his feelings for Addison but she was not quite ready to date yet Her life changed when she met a group of Navy SEALs in a bar owned by a friend of her colleague One of the Navy SEALs Lieutenant Logan Matthews invited Addison for dinner and it was evident that they had an overwhelming physical chemistry When she finally confided in Logan about her own tragic past another tragedy was about to be unleashed when Logan disappeared during a mission in South America Addison travels to Bogota Colombia with a client and makes a surprise discovery in a jungle village that would endanger her life if she could not outsmart the head of a notorious drug cartel a relative of her client She succeeded but paid a heavy price She became engaged to Dr David Cooper who was always there for her but after meeting with Logan again Addison must make the ultimate decision between the two men who loved her the man who offered her stability for life or the man who offered her undeniable passion but an uncertain future It all comes to a life altering decision during an award ceremony where Addison is being honored at the Coronado Island Naval Base *Querida familia: Cartas europeas (1956-1962)*
