

An aerial photograph of a coastal landscape. The top of the image shows a line of green and brown vegetation. Below this is a wide, light-colored sandy area, possibly a beach or dune. The bottom half of the image shows a dark, textured area that appears to be water or a wet, eroded bank, with some lighter, sandy patches visible. The overall scene is captured from a high angle, looking down on the terrain.

Ellery Adams, 2010-06-01 In the small coastal town of Oyster Bay North Carolina you'll find plenty of characters ne'er do wells and even a few celebs trying to duck the paparazzi But when murder joins this curious community the Bayside Book Writers are there to get the story Olivia Limoges is the subject of constant gossip Ever since she came back to town a return as mysterious as her departure Olivia has kept to herself her dog and her unfinished novel With a little cajoling from the eminently charming writer Camden Ford she agrees to join the Bayside Book Writers break her writer's block and even make a few friends But when townspeople start turning up dead with haiku poems left by the bodies anyone with a flair for language is suddenly suspect And it's up to Olivia to catch the killer before she meets her own surprise ending Watch a Video

The North Carolina Historical Review, 2005 **The Outdoor Photography Book** Imagine Publishing Ltd., 2012 **On Edge** C. Carr, 2012-04-09 Through her engaged and articulate essays in the Village Voice C Carr has emerged as the cultural historian of the New York underground and the foremost critic of performance art **On Edge** brings together her writings to offer a detailed and insightful history of this vibrant brand of theatre from the late 70s to today It represents both Carr's analysis as a critic and her testament as a witness to performances which by their very nature can never be repeated Carr has organized this collection both chronologically and thematically ranging from the emphasis on bodily manipulation endurance in the 70s to the underground club scene in New York to an insider's analysis of the Tompkins Square Riot as a manifestation of the cultural and social conflicts that underlie much of performance art She examines the transgressive and

taboo shattering work of Ethyl Eichelberger Karen Finley and Holly Hughes documents specific performances by Annie Sprinkle and Lydia Lunch and maps the development of such artists as Robbie McCauley Blue Man Group and John Jesurun She also describes the cross over phenomenon of the mid 80s and considers the far right backlash against this mainstreaming as cultural reactionaries sought to curb the influence of these new artists
