Outside The Fold Conversion Modernity And Belief:

Outside The Fold (Oip) Gauri Viswanathan, 2001-06-04 The Secret Life of Another Indian Nationalism Shail Mayaram, 2022-06-16 It highlights shifts over two centuries as the geopolitical context has transitioned from the Pax Britannica to the Pax Americana Beyond Crisis Naveeda Khan, 2012-04-27 Through the essays in this volume we see how the failure of the state becomes a moment to ruminate on the artificiality of this most modern construct the failure of nationalism an opportunity to dream of alternative modes of association and the failure of sovereignty to consider the threats and possibilities of the realm of foreignness within the nation state as within the self The ambition of this volume is not only to complicate standing representations of Pakistan It is take Pakistan out of the status of exceptionalism that its multiple crises have endowed upon it By now many scholars have written of how exile migrancy refugeedom and other modes of displacement constitute modern subjectivities The arguments made in the book say that Pakistan is no stranger to this condition of human immigrancy and therefore can be pressed into service in helping us to understand our present condition

The Oxford Handbook of Christianity in Asia Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia

Rise of Saffron Power Mujibur Rehman, 2018-05-03 This volume looks at the impact of the landmark 2014 elections and the consequent Assembly elections which have transformed the ideological discourse of India It discusses a variety of topical issues in contemporary Indian politics including the Modi wave Aam Aadmi Party and the challenges it is confronting today Hindutva and minorities the decline of the Congress party changes in foreign policy as well as phenomena like love jihad and ghar wapsi It also draws together political trends from across the country especially key states like Uttar Pradesh Punjab Kerala Tamil Nadu Telangana and Seemandhra West Bengal Jammu and Kashmir and Meghalaya The volume will be of great importance to scholars and researchers of Indian politics public policy sociology and social policy **Secular War** Stacey Gutkowski, 2013-11-27 How have long standing and unconscious secular assumptions about religion shaped the post 9 11 climate and its wars Stacey Gutkowski explores this little examined yet crucial element of British perceptions of and policy

towards Jihadism over the last decade to draw critical conclusions about the relationship between war and the secular She points to a surprisingly coherent body of secular beliefs that have fuelled policies in Iraq Afghanistan and counter terrorism and that have had mixed results responsible for both positive strategies and tragic errors The theory Gutkowski develops on the impact of this secular approach to warfare holds a broader global significance and cannot be viewed as just a British phenomenon This book addresses ongoing and critical debates such as the overreach of Western liberal interventionism in the Middle East and speaks to policy makers security analysts and students of IR Foreign Policy and Security Studies

The Invention of Religion Derek R. Peterson, Darren R. Walhof, 2002 Is religion an obstacle to the values of modernity Popular and scholarly opinion says that it is In a world gripped in a clash of civilizations religious absolutism seems to threaten the modern virtues of tolerance reason and freedom This collection of historical essays argues that this popular view religion versus modernity is used by the politically powerful to construct the religious as irrational and antimodern The authors study how nationalists state officials missionaries and scholars in the West and in the colonized world defined and redefined the relationship between the political and the religious From publisher s description

Christianity and the State in Asia Julius Bautista, Francis Khek Gee Lim, 2009-09-11 This book examines how Christians in Asia express their religion under the spectre of the nation state and processes of globalization Considering Christianity s growing prominence and the various ways Asian nation states respond to this growth this book brings into sharper analytical focus the ways in which the faith is articulated at the local regional and global level

Postcolonial Moves P. Ingham, M. Warren, 2015-12-17 Much theoretical and historical work engaged with the question of the postcolonial is built upon an imagined unified premodern Middle Ages in Europe One of the results of this has been that in recent years scholars in medieval and early modern studies have been critically assessing the uses of postcolonial and subaltern theoretical perspectives in their fields and considering what their periods have to say to postcolonial theorists This book offers a series of original essays that explore with specificity the methodological textual cultural and historiographic moves required for postcolonial engagements with premodern times

Handbook of Leaving Religion Daniel Enstedt, Göran Larsson, Teemu T. Mantsinen, 2019-10-07 The Handbook of Leaving Religion introduces a neglected field of research with the aim to outline previous and contemporary research and suggest how the topic of leaving religion should be studied in the future The handbook consists of three sections 1 Major debates about leaving religion 2 Case studies and empirical insights and 3 Theoretical and methodological approaches Section one provides the reader with an introduction to key terms historical developments major controversies and significant cases Section two includes case studies that illustrate various processes of leaving religion from different perspectives and each chapter provides new empirical insights Section three discusses presents and encourages new approaches to the study of leaving religion
