Orthodoxy and the Religion of the Future Fr. Seraphim Rose,2004 **Orthodox Christianity** Carl S. Tyne,2003

The Orthodox Church is one of the three major branches of Christianity There are over 300 million adherents throughout the world The Orthodox Church is a fellowship of independent churches which split from the Roman Church over the question of papal supremacy in 1054 The Orthodox adherents include people in Greece Georgia Russia and Serbia There are an estimated one million members in the United States This Advanced book explains the basic principles of Orthodox Christianity and describes in detail the holidays observed by the Orthodox Church In addition relevant book literature is presented in bibliographic form with easy access provided by title subject and author indexes *Orthodox Religion and Politics in Contemporary Eastern Europe* Tobias Koellner,2018-12-07 This book explores the relationship between Orthodox religion and politics in Eastern Europe Russia and Georgia It demonstrates how as these societies undergo substantial transformation Orthodox religion can be both a limiting and an enabling factor how the relationship between religion and politics is complex and how the spheres of religion and politics complement reinforce influence and sometimes contradict each other Considering a range of thematic issues with examples from a wide range of countries with significant Orthodox religious groups and setting the present situation in its full historical context the book provides a rich picture of a subject which has been too often oversimplified **Sacralizing the Nation through Remembrance of Medieval Religious**

Figures in Serbia, Bulgaria and Macedonia Stefan Rohdewald,2022-05-20 Religious figures of remembrance served to consolidate first dynastic rule and later nation state legitimacy and community This book explains the interweaving of Eastern Roman medieval Serbian and Bulgarian contexts as well as Ottoman and Western European national discourses or reinvented traditions We can distinguish a secularization and nationalization of the religious contexts in the 19th century within historicism followed by a nationalization of God and a sacralization of the nation until the end of WWII Contrary to the national views the origins of the modern content of these discourses lie only to a very limited extent in the Middle Ages or in the Early Modern period as this study shows Please note this is volume 1 of a 2 volume set Click here to see volume 2

The Post-war Generation And The Establishment Of Religion Jackson W Carroll,Wade Clark Roof,David A

Roozen,2018-03-08 This is the first book to offer a comparative analysis of the impact of the post war Baby Boom generation on Christianity around the world Taking a cross cultural approach the contributors examine ten advanced countries including England France Germany Australia and the United States and explore the ways baby boomers have helped reshape and redefine establishment religions that is the dominant primarily Christian institutions Their conclusions are broad and far reaching shedding light on the fate of religion in other countries now modernizing and those countries moving through the modern to the postmodern Sociologists historians and scholars of religion will profit from the insights put forth here on

religion in a postmodern context **Israel Country Study Guide Volume 1 Strategic Information and Developments**

Developments **Religion and Politics in the International System Today** Eric O. Hanson,2006-01-16 Publisher
Description **New Voices in Greek Orthodox Thought** Trine Stauning Willert,2016-05-13 New Voices in Greek
Orthodox Thought brings to the light and discusses a strand in contemporary Greek public debate that is often overlooked
namely progressive religious actors of a western orientation International and Greek media tend to focus on the extreme
views and to categorise positions in the public debate along well known dichotomies such as traditionalists vs modernisers
Demonstrating that in late modernity parallel to rising nationalisms there is a shift towards religious communities becoming
the central axis for cultural organization and progressive thinking the book presents Greece as a case study based on
empirical field data from contemporary theology and religious education and makes a unique contribution to ongoing debates
about the public role of religion in contemporary Europe
