Nomadic Theory Rosi Braidotti, 2011 Transposing differences Meta l morphoses women aliens and machines Animals and other anomalies The cosmic buzz of insects Matter realist feminism Intensive genre and the demise of gender Postsecular paradoxes Against methodological nationalism Nomadic European citizenship Powers of affirmation Sustainable ethics and the body in pain Forensic futures A secular prayer **The Subject of Rosi Braidotti** Bolette Blaagaard, Iris van der Tuin, 2014-09-25 The Subject of Rosi Braidotti Politics and Concepts brings into focus the diverse influence of the work of Rosi Braidotti on academic fields in the humanities and the social sciences such as the study and scholarship in among others feminist theory political theory continental philosophy philosophy of science and technology cultural studies ethnicity and race studies Inspired by Braidotti s philosophy of nomadic relations of embodied thought the volume is a mapping exercise of productive engagements and instructive interactions by a variety of international outstanding and world renowned scholars with texts and concepts developed by Braidotti throughout her immense body of work In Braidotti s work traversing themes of engagements emerge of politics and philosophy across generations and continents Therefore the edited volume invites prominent scholars at different stages of their careers and from around the world to engage with Braidotti s work in terms of concepts and or political practice *Gender and the Abjection of Blackness* Sabine Broeck, 2018-05-23 An anti racist critique of gender studies as a field In *Gender and the Abjection of Blackness* Sabine Broeck argues that gender studies as a mostly white field has taken insufficient account of Black contributions and that more than being an ethnocentric limitation or blind spot this has represented a structural anti Blackness in the field Engaging with the work of Black feminist authors Sylvia Wynter Hortense Spillers and Saidiya Hartman Broeck critiques a selection of canonical white gender studies texts to make this case The book discusses this problem at the core of gender theory as a practice which Broeck terms enslavism the ongoing abjection of Black life which Hartman has called the afterlife of slavery This has become manifest in the repetitive employment of the woman as slave metaphor so central to gender theory as well as in recent theoretical mutations of these anti Black politics of analogy It is the structural separation of Blackness from gender that has functioned over and again as the scaffold enabling white women s struggles for successful recognition of equality and subjectivity in the human world as we know it This book challenges white readers to rethink their own untroubled identification with gender theory and it provides all readers with a white feminist theorist s sophisticated theoretical and self critical scholarly account of her own reckoning with and learning in dialogue from Black feminism s critique Broeck draws on a wide range of experience to provide a frame for rethinking gender as category that can work towards something like Black freedom Most importantly Black theoretical insights in this work move beyond intervention to offer a whole new way of being and the author grapples with the new conceptual terrain she is now occupying Rinaldo Walcott author of *Queer Returns Essays on Multiculturalism Diaspora and Black Studies* **The Routledge Handbook of Gender Archaeology** Marianne Moen, Unn

Pedersen,2024-12-02 This volume presents a comprehensive overview of gender archaeology both theory and practice and contributes a substantial and definitive reference work by bringing together state of the art research theoretical overviews and the latest debates in the field Responding to the shifts in the theoretical landscape and the societal and political frameworks within which we produce our knowledge chapters create both a solid theoretical baseline which help readers grasp the significance of gender in archaeology as well as offer perspectives on how to engender produced knowledge about the past In line with recent focus on the shortcomings of gender and archaeological representation chapters also detangle academic discourse and popular representations in order to present novel ways of successfully negotiating the pitfalls of gendered ideas about past behaviours By encouraging novel ways of integrating theoretical perspectives with scrutiny of gender stereotypes original empirical examinations of identity markers and behaviours and re examinations of static representations of identities through new lenses such as intersectional perspectives personhood and materiality debates the volume is theoretically rich and will simultaneously provide a necessary benchmark for future archaeological discourses Finally it will incorporate perspectives from researchers with diverse backgrounds and viewpoints to provide a truly comprehensive overview It will not shy away from engaging with politically contentious issues surrounding knowledge production but will include perspectives from researchers whose focus is less on feminist critiques and more on gender and identities Thus the volume bridges the two most prominent directions currently discernible within the focus area namely feminist re examinations on the one hand and research focused more on bodily practice and gendered experiences on the other The Routledge Handbook of Gender Archaeology is an invaluable resource for students and researchers in gender archaeology as well as gender studies more widely

The Cultural Politics of Queer Theory in Education Research

Christina Gowlett,Mary Lou Rasmussen,2017-10-02 The Cultural Politics of Queer Theory in Education Research represents the editors intention to disrupt cycles of thinking about the place of queer theory in educational research The book aims to encourage dialogue about the objects and subjects of queer research the forms of politics incited by the use of queer theory in education and the methodological approaches used by scholars when queer y ing The contributions to this book come from those who find queer theory problematic as well as from those who continue to see a productive place for queer research in education however that may be defined The editors have collected contributions that attend to the boundaries that are placed around queer research in education by researchers themselves and by peers ethics committees funding bodies and university and government bureaucracies Considering how key researchers in gender and education identify with or deliberately distance themselves from queer theory this collection grapples with the contemporary cultural politics of doing queer theoretical work in different education spaces and places In short it seeks to disrupt what people think they already know about the place of queer theory in education This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education

Irish Feminist Futures Claire Bracken,2016-02-12 This book is about the future Ireland s

future and feminism's future approached from a moment that has recently passed The Celtic Tiger circa 1995-2008 was a time of extraordinary and radical change in which Ireland's economic demographic and social structures underwent significant alteration Conceptions of the future are powerfully prevalent in women's cultural production in the Tiger era where it surfaces as a form of temporality that is open to surprise change and the unknown Examining a range of literary and filmic texts Irish Feminist Futures analyzes how futurity structures representations of the feminine self in women's cultural practice Relationally connected and affectively open these representations of self enable sustained engagements with questions of gender race sexuality and class as they pertain to the material social and cultural realities of Celtic Tiger Ireland This book will appeal to students and scholars of Irish studies Irish feminist criticism sociology cultural studies literature women's studies gender studies neo-materialist and feminist theories
