Norahs Children Volume 1:

At His Gates. Volume 1 Маргарет Олифант, 2017-05-02 The Broadview Anthology of British Literature: Concise Volume B – Third Edition Joseph Black et al., 2021-08-03

The two volume Broadview Anthology of British Literature Concise Edition provides an attractive alternative to the full six volume anthology. Though much more compact, the Concise Edition nevertheless provides substantial choice, offering both a strong selection of canonical authors and a sampling of lesser known works. With an unparalleled selection of illustrations and of contextual materials, accessible and engaging introductions and full explanatory annotations, these volumes provide concise yet extraordinarily wide ranging coverage for British Literature survey courses. New to this volume are Samuel Beckett's *Endgame* and Robert Louis Stevenson's *Strange Case of Dr Jekyll and Mr Hyde*; new authors include Dorothy Wordsworth, John Clare, Tomson Highway, Derek Walcott, and Chimamanda Ngozi Adichie. The third edition now also offers substantially expanded representation of Irish, Scottish, and Welsh literatures, as well as contextual materials on Gothic literature, Modernism, and World War II. Material that no longer appears in the bound book may, in most cases, be found on the companion website; many larger works are also available in separate volumes that may, at the instructor's request, be bundled together with the anthology at no extra cost to the student.

Features New to the Third Edition:

- New longer texts including Dickens's performance reading of *David Copperfield*, Gaskell's *The Manchester Marriage*, Stevenson's *Strange Case of Dr Jekyll and Mr Hyde*, and Beckett's *Endgame*.
- New short selections from longer works including Eliot's *Middlemarch*, Shelley's *Frankenstein*, Barrett Browning's *Aurora Leigh*, and Tennyson's *In Memoriam A. H. H.*
- New bound book author entries for Dorothy Wordsworth, John Clare, Emily Brontë, Thomas de Quincey, Walter Pater, Isaac Rosenberg, Tomson Highway, Derek Walcott, Jeanette Winterson, and Chimamanda Ngozi Adichie.
- New selections representing Literary Currents in Ireland, Scotland, and Wales in the Long Nineteenth Century.
- New Contexts section on Gothic Literature including materials by Horace Walpole, Ann Radcliffe, and Jane Austen.
- Literature, Politics, and Cultural Identity section includes numerous new authors and pieces, including work by Sorely MacLean, James Kelman, Gillian Clarke, Kamau Brathwaite, Kim Moore, and Warsan Shire.

At His Gates, Volume 1 (of 3) Margaret Oliphant, 2015-03-09

Example in this ebook: CHAPTER I. Mr and Mrs Robert Drummond lived in a pretty house in the Kensington district, a house the very external aspect of which informed the passer-by who they were or at least what the husband was. The house was embowered in its little garden, and in spring, with its lilacs and laburnums, looked like a great bouquet of bloom, as such houses often do. But built out from the house and occupying a large slice of the garden, at the side, was a long room lighted with sky windows, and not by any means charming to look at outside, though the creepers which had not long been planted were beginning to climb upon the walls. It was connected with the house by a passage which acted as a conservatory and was full of flowers, and everything had been done that could be done to render the new studio as beautiful in aspect as it was in meaning. But it was new and had scarcely yet begun, as its proprietor said, to compose with its surroundings. Robert Drummond accordingly was a

painter a painter producing in the mean time pictures of the class called genre but intending to be historical and to take to the highest school of art as soon as life and fame would permit He was a very good painter his subjects were truly felt and exquisitely manipulated but there was no energy of emotion no originality of genius about them A great many people admired them very much other painters lingered over them lovingly with that true professional admiration of good work which counteracts the jealousy of trade in every honest mind They were very saleable articles indeed and had procured a considerable amount of prosperity for the young painter It was almost certain that he would be made an Associate at the next vacancy and an Academician in time But with all this he was well aware that he was no genius and so was his wife The knowledge of this fact acted upon them in very different ways but that its effect may be fully understood the difference in their characters and training requires to be known Robert Drummond had never been anything but a painter attempts had been made in his youth to fix him to business his father having been the senior clerk much respected and utterly respectable of a great City house and the attempt might have been successful but that accident had thrown him among artists a kind of society very captivating to a young man especially when he has a certain command of a pencil He threw himself into art accordingly with all his soul He was the sort of man who would have thrown himself into anything with all his soul not for success or reward but out of an infinite satisfaction in doing good work and seeing beautiful things grow under his hand He was of a very sanguine mind a mind which seldom accepted defeat but which with instinctive unconscious wisdom hesitated to dare the highest flights and to put itself in conflict with those final powers which either vanquish a man or assure his triumph Perhaps it was because there was some hidden possibility of wild despair and downfall in the man's mind of which only himself was aware that he was thus cautious of putting his final fortune to the touch But the fact was that he painted his pictures contentedly conscientiously doing everything well and satisfied with the perfection of his work as work though he was not unaware of the absence from it of any spark of divinity He did not say it in so many words but the sentiment of his mind was this It is good work work no man need be ashamed of I am not a Raphael alas and I cannot help it What is the good of being unhappy about a thing I cannot mend I am doing my best it is honest work which I know I don't slight or do carelessly and I can give her everything she wants except that To be continue in this ebook
