

A woman is lying on her side on a sandy beach, wearing a one-piece swimsuit with vibrant, multi-colored horizontal stripes. Her legs are bent at the knees, and her arms are resting near her head. The background is a clear, bright blue sky. The overall mood is relaxed and summery.

Norma Ever After A Novel:

Norma Ever After Nancy Baxter, 2007-12-18 Once upon a time specifically our time there lived an ordinary commoner named Norma Dale Hovering near thirty Norma no longer expected passion or even romance Not since puberty and the retirement of her single Ken doll and his harem of Barbies When Norma's father leaves her a sea chest brimming with cash and her beloved plush puffin from childhood she takes the old stuffed bird as a sign and decides that it's high time she started believing in fairy tales Particularly the ones her father used to tell her about the mystical Orkney Islands So Norma travels to the far north of Scotland where she discovers that nesting puffins are indeed real And unbelievably so are the handsome men of the heather she's always dreamed of and they're looking in her direction Suddenly Norma feels sexy Not go go boots and hot pants sexy more mysterious like a lithe and lovely young Catherine from Wuthering Heights sexy minus the dead part But there's more than one Heathcliff on these moors Will she choose the brooding artist the brash Texan or the sensitive professor If those Barbies could see her now Library Journal Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The Last Word** Justin Gautreau, 2021 The Last Word argues that the Hollywood novel opened up space for cultural critique of the film industry at a time when the industry lacked the capacity to critique itself While the young studio system worked tirelessly to burnish its public image in the wake of celebrity scandal several industry insiders wrote fiction to fill in what newspapers and fan magazines left out Throughout the 1920s and 1930s these novels aimed to expose the invisible machinery of classical Hollywood cinema including not only the evolving artifice of the screen but also the promotional discourse that complemented it As likeminded filmmakers in the 1940s and 1950s gradually brought the dark side of the industry to the screen however the Hollywood novel found itself struggling to live up to its original promise of delivering the unfilmable By the 1960s desperate to remain relevant the genre had devolved into little more than erotic fantasy of movie stars behind closed doors perhaps the only thing the public couldn't already find elsewhere Still given their unique ability to speak beyond the institutional restraints of their time these earlier works offer a window into the industry's dynamic creation and re-creation of itself in the public imagination Library Journal, 2005 *Suicide in Modern Literature* Josefa Ros Velasco, 2022-01-01 This book analyzes the social and contextual causes of suicide the existential and philosophical reasons for committing suicide and the prevention strategies that modern fictional literature places at our disposal They go through the review of Modern fictional literature in the American and European geographical framework following the rationales that modern literature based on fiction can serve the purpose of understanding better the phenomenon of suicide its most inaccessible impulses and that has the potential to prevent suicide From the turn of the 20th century to the present debates over the meaning of suicide became a privileged site for efforts to discover the reasons why

people commit suicide and how to prevent this behavior Since the French sociologist and philosopher mile Durkheim published his study Suicide A Study in Sociology in 1897 a reframing of suicide took place giving rise to a flourishing group of researchers and authors devoting their efforts to understand better the causes of suicide and to the formation of suicide prevention organizations A century later we still keep on trying to reach such an understanding of suicide the nature and nuances of its modern conceptualization to prevent suicidal behaviors The question of what suicide means in and for modernity is not an overcome one Suicide is an act that touches all of our lives and engages with the incomprehensible and unsayable Since the turn of the millennium a fierce debate about the state s role in assisted suicide has been adopted Beyond the discussion as to whether physicians should assist in the suicide of patients with unbearable and hopeless suffering the scope of the suicidal agency is much broader concerning general people wanting to die

Conversations with Rodolfo (a Novel) Hala Pickford,2009-11 In 1926 Silent Film Idol Rudolph Valentino known as The Great Lover passed away unexpectedly at the age of 31 In the years that have since passed his death has come to overshadow his life and his work But what would have been had he not died so young This is the inspiration behind the whimsical novel Conversations with Rodolfo written by Hala Pickford The Founding Sheba of The Rudolph Valentino Society A lover of silent film Pickford uses her knowledge of film history to paint a picture of what might have occurred had Valentino not died in 1926 but in 2005 Would he have made it in the new medium of talkies sound film Would he be remembered like Charlie Chaplin Or forgotten like Mae Murray Would he have reconciled with the love of his life Natacha Rambova Or would he have been able to find a new love Conversations with Rodolfo opens in 2004 following down on his luck wannabe music journalist Michael Johnston Johnston is madly in love with a new girl he has met named Gloria Trying to impress her he agrees to a Saturday spent with her beloved grandparents There he finds her grandfather is a man who calls himself Rodolfo though many others have known him by the name Rudolph Valentino Despite his age Rodolfo is as lively as a 20 year old and on Michael s request he agrees to a series of interviews about his long life with the stipulation that they not be published until his death Through these interviews we get to hear the story of Rudolph Valentino from his boyhood in Italy to the birth of his granddaughter From his role in The Sheik to his work with Charlie Chaplin in the 1950s

Elizabeth Spencer: Novels & Stories (LOA #344)
 Elizabeth Spencer,2021-06-01 On her centennial a contemporary of Flannery O Connor and Harper Lee joins the Library of

America with a volume that restores to print her searing novel about the late Jim Crow South Elizabeth Spencer 1921 2019 was a major figure of the Southern Renaissance though today her many books and stories are scattered or out of print This Library of America volume brings together the very best of her writing three novels and nineteen stories from a career spanning more than six decades The Voice at the Back Door 1957 greeted by The New Yorker as a practically perfect novel and here restored to print portrays small town life in Mississippi during the late Jim Crow era and the self interest and hatred that kept injustice firmly in place Published two years after the Emmett Till lynching it captures the spitting vehemence of its white characters speech and may have been proven too potentially controversial for the Pulitzer board which awarded no prize in 1957 Also included in this volume are The Light in the Piazza 1960 Spencer s most famous work a deftly poignant comedy about Americans abroad that was adapted to the screen by Guy Green and a second superb Italian novella Knights and Dragons 1965 reminiscent of Henry James s novels in its atmosphere interiority and concern with transplanted Americans Spencer excelled in the short story form and this volume presents a career spanning selection by editor Michael Gorra that ranges from the early First Dark 1959 a kind of ghost story about a spectral oversized house in a Southern town to the valedictory The Wedding Visitor 2013 about the refusal to let the all enveloping world of place family and childhood define one s adult life Spencer s special focus was families and few writers have so brilliantly plumbed the passions that unite them and the inner upheavals that can tear them apart
