North American Lake Monsters Stories:

North American Lake Monsters Nathan Ballingrud, 2013-06-28 Nathan Ballingrud's Shirley Jackson Award winning debut collection is a shattering and luminous experience not to be missed by those who love to explore the darker parts of the human psyche. Monsters real and imagined external and internal are the subject. They are us and we are them and Ballingrud's intense focus makes these stories incredibly intense and irresistible. These are love stories. And also monster stories. Sometimes these are monsters in their traditional guises sometimes they wear the faces of parents lovers or ourselves. The often working class people in these stories are driven to extremes by love. Sometimes they are ruined sometimes redeemed. All are faced with the loneliest corners of themselves and strive to find an escape. Nathan Ballingrud was born in Massachusetts but has spent most of his life in the South. He worked as a bartender in New Orleans and New York City and a cook on offshore oil rigs. His story *The Monsters of Heaven* won the inaugural Shirley Jackson Award. He lives in Asheville North Carolina with his daughter.

North american lake monsters Nathan Ballingrud, 2023 *North American Monsters* David J. Puglia, 2022-03-15 Mining a mountain of folklore publications *North American Monsters* unearths decades of notable monster research. Nineteen folkloristic case studies from the last half century examine legendary monsters in their native habitats focusing on ostensibly living creatures bound to specific geographic locales. A diverse cast of scholars contemplate these alluring creatures feared and beloved by the communities that host them: the Jersey Devil gliding over the Pine Barrens, Lieby wriggling through Lake Lieberman, Char Man stalking the Ojai Valley and many many more. Embracing local stories, beliefs and traditions while neither promoting nor debunking, *North American Monsters* aspires to revive scholarly interest in local legendary monsters and creatures and to encourage folkloristic monster legend sleuthing.

Crypt of the Moon Spider Nathan Ballingrud, 2024-08-27 *Crypt of the Moon Spider* is a dark and dreamy tale of horror, corruption and identity spun into the stickiest of webs. Years ago in a cave beneath the dense forests and streams on the surface of the moon a gargantuan spider once lived. Its silk granted its first worshippers immense faculties of power and awe. It's now 1923 and Veronica Brinkley is touching down on the moon for her intake at the Barrowfield Home for Treatment of the Melancholy, a renowned facility. Dr. Barrington Cull's invasive and highly successful treatments have been lauded by many. And they're so simple. All it takes is a little spider silk in the amygdala, maybe a strand or two in the prefrontal cortex and perhaps an inch in the hippocampus for near evisceration of those troublesome thoughts and ideas. But patients aren't the only ones with trouble on their minds and although the spider's been dead for years its denizens are not. Someone or something is up to no good and Veronica just might be the cause. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Moriah Daniel Mills, 2017-05-09 A man investigates rumors of the supernatural in post Civil War Vermont in a stunningly twisted tale mired in history from a master of the macabre Booklist Nine years have passed since the end of the American Civil War and Silas Flood helpless to escape its shadow is a broken man in a broken country In the summer of 1874 he is dispatched to the mountain village of Moriah

Vermont to investigate sensational claims of supernatural happenings at a wayside inn. There the brothers Thaddeus and Ambrose Lynch are said to converse with spirits and summon the dead. In *Moriah*, Flood encounters others like himself: a grieving couple, a childless widow. By day he questions the Lynch brothers, who prove less than forthcoming. They too are haunted by buried secrets and old ghosts. In the evenings he attends sances where the resurrected dead dance, sing, and give comfort to the living. As Flood investigates the true nature of these phenomena, he is forced to come to terms with his own past and with the hold it has upon him. Mills deftly jumps between narratives as the story unfolds, his prose saturating every page with dread as he teases out his characters' secrets and lies. An intense novel. *Publishers Weekly*.
