Not Tonight Not Tonight:

Indulgence in Death J. D. Robb, 2010-11-02 NYPSD Lieutenant Eve Dallas must discover who's preying on those who cater to the rich and famous in this thriller in the 1 New York Times bestselling In Death series When a murder disrupts the Irish vacation she is taking with her husband Roarke Eve realizes that no place is safe not an Irish wood or the streets of the manic city she calls home But nothing prepares her for what she discovers upon her return to the cop shop in New York A limo driver is shot through the neck with a crossbow Then a high priced escort is found stabbed through the heart with a bayonet Eve begins to fear that she has come across that most dangerous of criminal a thrill killer but one with a taste for the finer things in life and death As time runs out on another innocent victim's life Eve's investigation will take her into the rarified circle that her husband Roarke travels in and into the perverted heart of madness Mary Chukwueloka Okolo, 2017-10-06 The breath of God the Word of God that is was made flesh and was conceived in Mary's womb Christians call her the mother of God She gave birth to the one we know as Jesus the one we regard as the Son of God This Son of God Jesus is the second person in the Trinity As you read this this Jesus sits on the right throne next to God's own throne These are well grounded Christian beliefs They are irrefutable truths It is on these truths that the doctrines of the Christian faith are anchored That brings me to the reason I wrote this book The fact that the woman who carried Jesus in her womb for nine months and shared the breaths of life with him throughout her pregnancy could have been divinely consecrated just because she had him in her womb I believe that she Mary at the time she was living with the hands and the mind of God in her could easily have commanded Mount Tabor and Kilimanjaro to switch places by simply saying so It is that belief that opened up the floodgate of story possibilities regarding the supernatural wherewith she could have been endowed during the months she was pregnant with Jesus What you will see in these pages is compelled by aspects of fiction and nonfiction Parts of the New Testament drive this tale well with the exception of Mary's visitations to certain parts of heaven I truly believe that they could have taken her up to heaven every now and then because she was walking around with the second person in the Trinity in her womb Think about it **The Narrow Gate** M. R. Hamilton, 2022-04-29 War messes with us makes us do things we wouldn't normally contemplate As war encroaches on the idyllic young life of Ali Conroy in the lush and undulating countryside of Northern England she and her childhood love are swept to opposite ends of the earth to the unrelenting and bloody battlefields of World War Two and the barren and windblown plains of North East Montana Based on a true story from the years surrounding one of our most defining and cataclysmic conflicts The Narrow Gate tugs at the threads that tie us to our home and our first love **The Quantum Series—An Epic Hollywood Romance** Marie Force, 2020-09-30 Quantum The Complete Series A boxed set of all eight books in the New York Times bestselling Quantum Series Virtuous Valorous Victorious Rapturous Ravenous Delirious Outrageous and Famous Movie stars intrigue sexy times and so much more Fall in love over and over again **Brazilian Revenge** Carmen Falcone, 2016-03-07 Human rights lawyer Leonardo Duarte wants

Happy to Be Here Janelle Hanchett,2018-05-01 A refreshingly raw contrasting perspective on the foolproof idea of motherhood POPSUGAR By turns painful and funny A searingly candid memoir Kirkus Far from your cookie cutter story of addiction I m Just Happy to Be Here describes Hanchett s journey to recovery and sobriety in imperfect and unconventional ways Bustle In this unflinching and wickedly funny memoir Janelle Hanchett tells the story of finding her way home And then actually staying there Drawing us into the wild heartbreaking mind of the addict Hanchett carries us from motherhood at 21 with a man she d known three months to cubicles and whiskey laden domesticity from judging meth addicts in rehab to therapists who seem to pull diagnoses out of large expensive hats With warmth wit and searing B S detectors turned mostly toward herself Hanchett invites us to laugh when we probably shouldn t and to rejoice at the unconventional redemption she finds in desperation and in a misfit mentor who forces her to see the truth of herself A story of ego and forced humility of fierce honesty and jagged love of the kind of failure that forces us to re create our lives Hanchett writes with rare candor scorching the sanctity of motherhood and leaving beauty in the ashes
