Not In Gods Name Making Sense Of Religious Conflict:

Thinking of Questions Peter Limm, 2015-09-23 This is not a conventional book It is designed to stimulate and challenge all people who are curious to find out about the world they inhabit and their place within it It does this by suggesting questions and lines of questioning on a wide range of topics The book does not provide answers or model arguments but prompts people to create their own questions and a reading log or journal To this end almost all questions have a list of books or articles to provide a starter for stimulating further reading Once you start you will be hooked Never stop questioning

One Man's Quest: Making Sense of Life Brian Bridges, 2010-09-06 A sincere and thorough exploration by the author to make sense of a world full of overwhelming amounts of information and conflicting belief systems Who is telling the truth Which religion is the right one What does the Bible tell us Who are we By peering into the author's world view we develop our own sense of ourselves we appreciate life more and we make peace with many important areas of internal conflict

Making Sense of God Timothy Keller, 2016-09-20 We live in an age of skepticism Our society places such faith in empirical reason historical progress and heartfelt emotion that it's easy to wonder Why should anyone believe in Christianity What role can faith and religion play in our modern lives In this thoughtful and inspiring new book pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever As human beings we cannot live without meaning satisfaction freedom identity justice and hope Christianity provides us with unsurpassed resources to meet these needs Written for both the ardent believer and the skeptic Making Sense of God shines a light on the profound value and importance of Christianity in our lives

Making Sense of the Sacred James L. Rowell, 2021-05-18 What is the overarching meaning of the world's religions Textbooks relay what the religions believe and leave it at that But the more puzzling questions Which of them is true How do all viewpoints fit together or challenge one another are left unaddressed Like an unfinished puzzle the myriad religions present themselves to us as countless pieces but their relationship to each other and ultimate importance escape us Can the religions of the world really agree on anything or fit into a common narrative or singular image This work argues that despite the disagreements and contradictions among world religions a universal message can be found by studying them with care It offers a comprehensive examination of religions and their meaning uniquely bound by the hope and affirmation that in some way they are universally connected It affirms a universalism by wisdom which contends that a moral and spiritual wisdom can be found in many of the world's religions Understood and interpreted properly religions can help all people lead good and meaningful lives

The Big Picture Making Sense Out of Life and Religion Sean Williams, 2009-06-01 This book points out the undeniable similarities between The Gospel of Thomas the psychedelic experience the mystic path and the near death experience in order to put together the big picture and expose the truth about our existence Can you put together the similarities and understand the TRUTH that organized religion and the government have sought to keep from us Do you have the ears to

HEAR *Making Sense of Old Testament Genocide* Christian Hofreiter, 2018-02-16 The divine commands to annihilate the seven nations living in Canaan to devote them to destruction herem in Biblical Hebrew are perhaps the most morally troubling texts of the Hebrew and Christian bibles *Making Sense of Old Testament Genocide* Christian Interpretations of Herem Passages addresses the challenges these texts pose It presents the various ways in which interpreters from the first century to the twenty first have attempted to make sense of them The most troubling approach was no doubt to read them as divine sanction and inspiration for violence and war the analysis of the use of herem texts in the crusades the inquisition and various colonial conquests illustrates this violent way of reading the texts which has such alarming contemporary relevance Three additional approaches can also be traced to antiquity viz pre critical non literal and divine command theory readings Finally critics of Christianity from antiquity via the Enlightenment to today have referenced herem texts their critical voices are included as well Christian Hofreiter combines a presentation of a wide range of historical sources with careful analysis that scrutinizes the arguments made and locates the texts in their wider contexts Influential contributions of such well known figures as Augustine Origen Gregory the Great Thomas Aquinas and John Calvin are included as well as those of critics such as Marcion Celsus and Matthew Tindal and less widely known texts such as crusading histories songs and sermons colonial conquest accounts and inquisition manuals The book thus sheds new light on the ways in which these texts have shaped the thoughts and actions of their readers through the centuries and offers pertinent insights into how readers might be able to make sense of them today

The Power of the God Who Can't Russ Dean, 2023-10-31 In a world that values power above all else we need to rethink God It's not just better athletes and bigger engines but weapons of mass destruction assault rifles lethal drugs Our obsession with stronger faster more and bigger everything is killing us and at the top of this power pyramid an all powerful God validates it all For those who want a theology justifying the power game in all its forms omnipotence is the perfect pretext but for a growing segment of our modern scientific world the notion of an all controlling deity sounds increasingly superstitious tribalistic People of faith must do better Our world needs a God whose nature is love not all controlling power That God the God who can't is even more powerful The survival of the world even the future of God may depend on us learning to say God always does everything God can do

Making Sense of "God" Norman Solomon, 2023-05-04 All over the world people talk about God and argue endlessly about what God said and what if anything we should do about it Do they know what are they talking about Do they ever seriously consider what it might look like or feel like if God actually spoke to you How could you tell if someone said God spoke to them whether they were deluded bluffing or high on drugs The reflections dialogues and arguments in this book address such questions often with humor sometimes provocatively as when the author suggests the ancient gods have returned to invade the institutions of our great religions or when two spirits William and James viewing the world from afar voice their doubt as to whether the human species will ever attain the pinnacles of cooperation reason beauty and love Ancient texts from the Mayan Popol Vuh through

the Bible to the Chinese classics are invoked and the discoveries of modern science from anthropology to zoology are brought into play as the reader is gently led to an appreciation of the role of religious language in modern society **Making Sense of God in this Chaotic World** James Hammond, Joseph Hammond, 2018-11-03 Making Sense of God in this Chaotic World No Plan B By James Hammond and Joseph Hammond Making Sense of God in this Chaotic World No Plan B takes readers through meditations on God's love and purpose This book will bring clarity to the creation of man and coming of the Son of God Read on and discover God in your own life and how to rise up and be an overcomer *The Cambridge World History of Genocide: Volume 1, Genocide in the Ancient, Medieval and Premodern Worlds* Ben Kiernan, T. M. Lemos, Tristan S. Taylor, 2023-05-04 Volume I offers an introductory survey of the phenomenon of genocide The first five chapters examine its major recurring themes while the further nineteen are specific case studies The combination of thematic and empirical approaches illuminates the origins and long history of genocide its causes consistent characteristics and the connections linking various cases from earliest times to the early modern era The themes examined include the roles of racism the state religion gender prejudice famine and climate crises as well as the role of human decision making in the causation of genocide The case studies cover events on four continents ranging from prehistoric Europe and the Andes to ancient Israel Mesopotamia the early Greek world Rome Carthage and the Mediterranean It continues with the Norman Conquest of England's North the Crusades the Mongol Conquests medieval India and Viet Nam and a panoramic study of pre modern China as well as the Spanish conquests of the Canary Islands the Caribbean and Mexico
