Not Your Mother's Mammy Tracey L. Walters, 2021-04-16 *Not Your Mother's Mammy* examines how black artists of the African diaspora, many of them former domestics, reconstruct the black female subjectivities of domestics in fiction, film, and visual and performance art. In doing so, they undermine one-dimensional images of black domestics as victims lacking voice and agency and prove domestic workers are more than the aprons they wear. An analysis of selected media by Alice Childress, Nandi Keyi Victoria Brown, Kara Walker, Mikalene Thomas, Rene Cox, Lynn Nottage, and others provides examples of generations of domestics who challenged their performative roles of subservience by engaging in subversive actions, contradicting the image of the deferential black maid. Through verbal confrontation, mobilization, passive resistance, and performance, black domestics find their voices, exercise their power, and maintain their dignity in the face of humiliation. *Not Your Mother's Mammy* brings to life stories of domestics often neglected in academic studies, such as the complexity of interracial homoerotic relationships between workers and employers or the mental health challenges of domestics that lead to depression and suicide. In line with international movements like MeToo and TimesUp, the women in these stories demand to be heard.

Not Your Mother's Midlife Nancy Alspaugh, Marilyn Kentz, 2003-04-02 Provides ten practical recommendations to help women develop a confident and positive attitude to age with happiness rather than fear.

Not Your Mother's Vampire Deborah Wilson Overstreet, 2006-08-15 Examining young adult vampire fiction and how it fits in both the contemporary and classic vampire canon, the book's analysis begins with a primer on vampire scholarship, including a brief deconstruction of ten seminal vampire representations: five literary, five cinematic, and their impact on young adult vampire novels. The evolution of vampires from scary Gothic enemies into postmodern sexualized heroes is traced throughout the book, and the influence of Anne Rice's *Vampire Chronicles*. Subsequent chapters examine current young adult vampire novels from such popular horror authors as Amelia Atwater

Rhodes Christopher Pike R L Stine Darren Shan and L J Smith and are divided into three categories based on narrative structure the process of turning into a vampire humans and vampires trying to find their way in life and romantic relationships with a vampire partner Analysis also addresses vampire conventions the traditions that exist in each vampire universe vampires and sexuality and good and reluctant vampires The human characters who coexist with vampires in these novels receive the same treatment Additionally issues of gender age and affectional orientation of human and vampire characters are discussed as are postmodern constructions of good and evil Not Your Mother's Vampire contains an exploration of Buffy the Vampire Slayer a television phenomenon which has sparked an entirely new academic field Buffy Studies The vampire characters on Buffy and parallel series Angel are explored as are a few main humans slayers and witches alike The final chapter of the book is an annotated bibliography of seminal vampire scholarship As the only in depth examination of young adult vampire novels in existence this book is essential for students and scholars of the literature

D'Ambola, 2020-09-25 Growing up in an Italian household I frequently heard the word Giambott It is an Italian vegetable stew

made with potatoes and zucchini The actual pronunciation is Ciamotta The Irish also make claims on this dish They use cabbage of course but no one takes the Irish seriously when it comes to food It sometimes referred to as a summer stew also known as Poverty Stew We weren't poor but we ate it year round It became much more than just a stew It grew into a fine meal when family time at meals were special and meant something This mixture was often referred to as a hodgepodge or a mishmash The correct word today is medley This sounds more pleasant and almost musical It was a really just a collection of whatever was in the refrigerator at the end of the week Everyone knew it was a sin to throw food away because there were children starving in some far off land We never saw them but we knew they were there The threat was significant enough to clean our plates Our leftovers became our delicious banquet This book is like that collection of random leftovers Some may have gone bad There are some short stories based upon life's observations or experiences short pieces of fiction and marriage advice Please do not follow any advice from me I haven't figured out anything yet The book also contains at least one actual song You can try singing the other parts but it won't make any sense I have intermingled my favorite recipes throughout the stories to be savored and enjoyed preferably with a glass of wine or a case of beer whatever it takes to make it more palatable or help you choke it down Please do not eat while reading this book because it may lead to actual choking My Heimlich skills do not work over the phone and 911 operators can't understand muffled grunts You have been warned
