Nolan Kathi S Barton:

Nolan Kathi S. Barton,2015-12-14 Nolan finally had a practice of his own and soon his brother Burke would be leaving the hospital and joining him Now if the rest of the family would mind their own business Nolan would be much happier or not He was sulking over his dilemma when his nurse told him he had a patient a hurt kid who wasn t doing much talking Rylee nearly collapsed with worry when she found out her nephew had been hurt She wasn t sure if she was cut out to be a parent She loved her nephew Shane dearly and had taken on his care when her sister died but how she d missed the warning signs was beyond her He was being bullied at school daily and she knew nothing about it until he d been cut with a knife I didn t know Her entire body sagged at her confession He said he had it handled And I thought he did It s my fault he s beaten up like this I should have I m not any good at this parenting thing Nolan reached for her just as Shane moved on the bed He wasn t sure what the kid could do banged up the way that he was but as soon as Nolan touched her he knew what she was to him Her body warm and strong leaned into his even as he buried his nose into her neck Christ his body screamed at him She was his Licking her throat tasting her he could hear her moan but when his head was jerked up by his hair all he could do was stare at her

Burke Kathi S. Barton,2016-05-30 Burke Bentley s decision to quit the hospital and go into practice with his brother was the best decision he d ever made With the daily pressures gone he could do what he loved to do most be a doctor Piper Cordale Pip to her friends just wanted to bust her friend out and go She didn t handle people well and needed to be on her way but fate had other things in store for her Her friend s gorgeous doctor Burke insisted that he was her mate Pip didn t have a mate nor did she want one The chore of breathing in and out was hard enough But when she saw Burke s nephew Shane sitting all alone she reached out to him and they formed an instant bond She was fae and told the boy if he ever needed her all he needed to do was call out and she d be there When the unthinkable happens and Shane and his brother Walter are targeted by a madman can Pip reach his side fast enough Is she strong enough to save them both The Bentleys must band together like never before to protect their young and pray that it s enough **Emerald** Kathi S.

Barton,2015-08-07 Jul Whitney s mother Celeste has known Annabelle Erickson for many years and it is high time she pays her a visit Celeste has just arrived at the Erickson s when she receives a disturbing phone call from Jul he s been shot Annabelle insists that Jul recover in their home She has granddaughters in the medical field that can take care of him better than any hospital Jul loves the Erickson home and is given Emerald s old bedroom to recuperate in However there is something about the Erickson family that s odd everyone is friendly enough but they re speaking to him very cryptic like he should know something about them but not And when Jade tells him that the large wolf playing in the yard by the edge of the woods is part human he doesn t believe her He s thinking at this point he d be better off finding a nice hotel room to recuperate in like now He rounds the corner and is hit so hard in the chest that he finds himself soaking wet in the middle of the pool with the most beautiful and quite angry woman that he s ever seen Emerald Erickson didn t see that coming The

man human no less just steps right out in front of her She hits him so hard that they re both in the middle of the pool Now all the fool s doing is staring at her breasts with a sappy grin on his face When she looks down she sees that the wet fabric hides nothing Pissed off only touches the surface of the feelings raging through her body he is her mate Emerald has been avoiding spending time at her sister s house because they re all happily mated and she feels like she s intruding into their happiness And she had given up finding a mate a long time ago because she only attracts the bad sorts men who love to intimate women with their fists Would this man be any different She doesn t want to stick around long enough to find out **Joseph** Kathi S. Barton,2015-07-24 Christiana McKenzie Chris to her friends was at her wit s end She and her sister Angel were born witches Their mother had warned them that using their powers would bring on another witch hunt and they d risk being burned just like their ancestors Her sister didn t heed their mother s warning and now Angel was dead Angel had lived long enough to tell Chris that she d left something for her with a man by the name of Bentley then she died Chris had to track down this Bentley no matter the cost Joseph Bentley almost had everything finished the house the barn everything In a few weeks it would be finished and he would be able to move into the house and get the ranch going But the progress wasn t going fast enough to suit him he was lonely Micah had come out to tell him that the sister of the girl that died to protect him was coming to see him and he was hoping that the nightmares since the incident would stop Micah wanted him to come out to the main house and be there when she arrived But the limo delivered the woman to Joey s house instead of Micah s Joey couldn t believe it the hostile woman was his mate and more than he could have ever hoped for Whether or not Chris wanted a mate or not was irrelevant Joey wasn t letting her out of his sight And when she found out that her mother had lied to her she wasn t an ordinary witch and that others would come to try to possess her If they couldn t do that then they would kill her to possess her powers she needed help The Bentleys band together to save one of their own but will it be enough Can they even fight the powerful magic that s targeting Chris and Joey **Micah** Kathi S. Barton,2015-03-13 Micah Bentley is a third generation cop and a panther He always wanted to be a homicide detective like his dad but kept getting passed up for the job because he was too good at what he currently did working the beat Micah has a gift he can read people s minds Such a gift could be a help and a hindrance on a job He could pluck the information he needs right out of someone s mind but knowing they re guilty and proving it are two different things But when his dad is killed off duty it has him rethinking his career choice Regina Webster Reggie to her friends is just trying to make ends meet by working three jobs to keep her head above water and also take care of her invalid brother She doesn t have time for socializing with bossy men like Micah Bentley who butt into her life making everything concerning her his business She doesn t know anything about this mate thing he keeps spouting off about she just wants him to leave her alone Due to a random act of violence she finds herself suddenly homeless no home no money no car and suffering from a gunshot wound to boot Reggie has no choice but to accept a helping hand from the Bentleys at least until she can get back on her feet Trouble has Reggie marked and this time they take Micah s mom

too Micah knows they're in trouble but when the bad guys don't go where they're expected it's a race against the clock

Anthony Kathi S. Barton, 2016-10-31 Coleen had heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be an angle there somewhere People just didn't help other people for nothing not in this day and age Tony Bentley wasn't expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the poor woman had been taken through the wringer but she was his mate and he wasn't about to take no for an answer Coleen's ex had left her in a heap of debt and she couldn't allow herself to bring that kind of baggage into a relationship She'd work through it somehow without the help of the mighty Bentleys **Garth** Kathi

S. Barton, 2017-02-20 For her loyal services to the queen Dark is granted one wish to be human The problem Dark doesn't deal well with humans She is a warrior fae and all she knows is how to lead armies Garth is the last brother without a mate and he's in no hurry to find one But when a fire burns his house down he finds himself at a loss He has never met Dark but she has graciously agreed to put him up until he can come to a resolution with his insurance company When they finally meet they both know what they are to each other An old foe has returned to seek his revenge and Dark and Micah are butting heads for control of the pack Dark knows how to deal with this enemy but Micah is standing in her way Can they get past their differences to save the family Or will Snyder Black fulfill his thirst for blood and revenge Find out in the final installment of The Bentley Legacy **Garth** Unstoppable Force Kathi S. Barton, 2013-04-05 Please I'm begging you just kill me He turned back to her and she could see his eyes They were beautiful A warm dark brown that made her heart pound Shaking her head slightly she grabbed the fur on his chest Do it damn it What the fuck are you waiting for Lou shook him then and he growled again Kill me Ginger Louise Cavanaugh preferably Lou has been on the run for the last ten years She hadn't run far enough because that bastard foster father had found her and beaten her again Now the judge orders her to work out her ninety day sentence at the Force compound or go back to jail The thought of jail is looking better and better It is just a matter of time before he finds her again Hurt and delirious with fever she just wants to die but the wolf with the beautiful eyes won't cooperate The entire compound has been looking for Lou Connor Force catches her scent on the wind and follows it to her He can't believe it The new hired help is his mate and the danged woman is begging him to kill her Trust doesn't come easy for Lou Everyone she has ever known has betrayed her Connor and his family have sworn to protect her but when a greater evil kidnaps their mother will their resolve falter With Connor's help Lou taps into her inner self to rise above it all because only an Unstoppable Force can save them now **Vicente** Kathi S. Barton, 2015-05-15 It was the scent of blood a lot of it that caught Vicente's attention as his dragon soared over the snow covered field And if he didn't do something about it and fast the poor woman would bleed out He couldn't let that happen Abby Curry's strength was gone She had given up hope that she'd be found by someone that could help her The blood trail she'd left was easy enough to follow The three men that hunted her would finish her off if she wasn't dead already before they got there Vicente caught her

before she could hit the ground there was something about her he didn't even know what she looked like she was beaten so badly but he had to save her if he could But when he heard her name his blood ran cold it couldn't be her it couldn't He'd left her five years before standing at the altar Now what was he going to do **Tholan** Kathi S. Barton, 2018-10-29 Tholan had made a grave mistake He had thought his charge dead and had taken her before it was her time causing a rift in her family's timeline He knew he deserved to die for his mistake but was given instead a thousand years of solitude to reflect on his mistake Parker Brooks loved her da and when he was arrested for robbery and murder a crime he wasn't even physically able to commit she confessed to it to keep him out of jail Parker spent ten years in prison for a crime neither of them had committed Her da died while she was behind bars Fresh out of prison Parker was introduced to the Mystics They were a loud and boisterous bunch and a bit much for her to take Seeking solitude Parker met Tholan a Mystic she could relate to and let her guard down When she fell asleep Tholan could see the demon of her nightmares and knew that she was in major trouble Her stepmother had sold Parker's soul to a demon and he was there to collect But Parker wasn't going to take this laying down With Tholan at her side Parker would conquer Hell to fix this
