Noonan,1993-11-15 **Metabiography** Caitríona Ní Dhúill,2020-03-09 This book explores the contradictions of biography It charts shifting approaches to the writing and reading of biographies from post hagiographical attitudes of the Enlightenment heroic biographies of Romanticism and irreverent modernist portraits through to contemporary experiments in politically committed and hybrid forms of life writing The book shows how biographical texts in fact destabilise the models of historical visibility cultural prominence and narrative coherence that the genre itself seems to uphold Addressing the fraught relationships between genre and gender private and

public image and text life and narrative that play out in the modern biographical tradition Metabiography suggests new possibilities for reading writing and thinking about this enduringly popular genre

The Oxford History of Life-Writing Patrick Hayes, 2022-01-06 With the growing urgency of questions about how to claim identity and achieve authenticity life writing started to acquire an unprecedented cultural importance A range of social and economic developments from the publishing boom in memoir writing to the rise of the internet transformed the possibilities for self expression By the end of the timespan covered in this book life writing was no longer something done mainly by important individuals who wrote their autobiography or by sensitive souls who kept a diary It became a truly ubiquitous phenomenon part and parcel of the everyday formation of selfhood Considering a diverse range of texts from across the English speaking world this volume places life writing in relation to wider debates about the sociology and philosophy of modern identity and the changing marketplace of publishing and bookselling Yet in doing so it seeks above all to credit the extraordinary literary inventiveness which the pursuit of self knowledge inspired in this period Major subjects addressed include the aftermath of World War II including responses to the Holocaust the impact of psychoanalysis on biography autofiction autobiography and changing ideas about authentic self knowledge coming out memoirs and the transformation of sexual identity feminist exemplary writing and lyric poetry multilingualism and intercultural life writing the memoir boom and the decline of intimacy testimony narrative and memory culture posthumanism in theory and practice literary biography as an alternative to literary theory literary celebrity and its consequences for literature social media and digital life writing

[A Companion to Literary Biography](#) Richard Bradford, 2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological

questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history
