Nora Ephron Interview Other Conversations:

Nora Ephron: The Last Interview Nora Ephron, 2015-12-15 For fans of *When Harry Met Sally* and readers of *I Feel Bad About My Neck* comes an indispensable collection of wit and wisdom from the late great writer/filmmaker. A hilarious and revealing look at one of America's most beloved screenwriters. From the beginning of her career as a young journalist to her final interview, a warm, wise, heartbreaking reflection originally published in the *Believer*, this is a sparkling look at the life and work of a great talent.

Frida Kahlo: The Last Interview Frida Kahlo, 2020-09-01 Frida Kahlo's legacy continues to grow in the public imagination in the nearly fifty years since her discovery in the 1970s. This collection of conversations over the course of her brief career allows a peek at the woman behind the hype. And allows us to see the image of herself she carefully crafted for the public. Frida Kahlo is now an icon. In the decades since her death, Kahlo has been celebrated as a proto-feminist, a misunderstood genius, and a leftist hero, but during her lifetime most knew her as Diego Rivera's wife. Featuring conversations with American scholar and Marxist Bertram D. Wolfe and art critic Raquel Tibol, this collection shows an artist undervalued but also a woman in control of her image. From her timid beginnings after her first solo show to a woman who confidently states that she is her only influence, the many faces of Kahlo presented here clearly show us the woman behind the Fridamania we know today.

Christopher Hitchens: The Last Interview Christopher Hitchens, 2017-12-05 This selection of interviews showcases the remarkable career of one of this generation's greatest and most divisive thinkers, featuring a foreword by Stephen Fry. Pulls together some of Hitchens's greatest dialogues, each sparkling with intelligence and wit. *New York Times Book Review*: "If someone says I'm doing this out of faith, I say, 'Why don't you do it out of conviction.' One of his generation's greatest public intellectuals and perhaps its fiercest, Christopher Hitchens was a brilliant interview subject. This collection, which spans from his early prominence as a hero of the Left to his controversial support for the wars in Iraq and Afghanistan toward the end of his life, showcases Hitchens's trademark wit on subjects as diverse as his mistrust of the media, his love of literature, his dislike of the Clintons, and his condemnation of all things religious. Beginning with an introduction and tribute from his longtime friend Stephen Fry, this collection culminates in Hitchens's fearless final interview with Richard Dawkins, which shows a man as unafraid of death as he was of everything in life."

Anthony Bourdain: The Last Interview MELVILLE HOUSE, 2019-08-20 The *New York Times* Bestseller. The brilliant intellect and candor of Anthony Bourdain is on full display in this collection of interviews from throughout his remarkable career, with an introduction from *The New Yorker*'s Helen Rosner. Anthony Bourdain always downplayed his skills as a chef; many disagreed. But despite his modesty, one thing even he agreed with was that he was a born raconteur, as he makes clear in this collection of sparkling conversations. His wit, passion, and deep intelligence shine through all manner of discussion here, from heart-to-hearts with bloggers to on-stage talks before massive crowds to intense interviews with major television programs. Without fail, Bourdain is always blisteringly honest, such as when he talks about his battles with addiction or when detailing his thoughts on

restaurant critics He regularly dispenses arresting insight about how what's on your plate reveals much of history and politics And perhaps best of all the heartfelt empathy he developed travelling the world for his TV shows is always in the fore as these talks make the Hemingway of gastronomy as chef Marco Pierre White called him live again

Sinéad O'Connor: The Last Interview Melville House, 2024-10-29 A significant collection of interviews with the defiant controversial and ground breaking singer songwriter and activist throughout her turbulent career It's not like I got up in the morning and said Okay now let's start a new controversy Sin ad O Connor Sin ad O Connor's music both in her songwriting and in her beautiful voice addressed both emotional despair and incandescent joy with glorious ardor But she may have been just as well known for her outspokenness This collection of interviews covers the entire span of O Connor's career from the early days to her last interview From giddy teenager to seasoned superstar she speaks candidly about her meteoric rise to fame and recounts what happened when she ripped up a photo of Pope John Paul II on live television in an act of protest Unguarded and unpredictable O Connor was a woman who electrified the globe imaginative opinionated and eloquent

Oliver Sacks: The Last Interview Oliver Sacks, 2016-11-15 An extraordinary collection of interviews with the beloved doctor and author whose research and books inspired generations of readers Oliver Sacks called the poet laureate of medicine by the New York Times illuminated the mysteries of the brain for a wide audience in a series of richly acclaimed books including Awakenings and The Man Who Mistook His Wife for a Hat and numerous New Yorker articles In this collection of interviews Sacks is at his most candid and disarming rich with insights about his life and work Any reader of Sacks will find in this book an entirely new way of looking at a brilliant writer

soccer and his worries about the impact of Covid on the world's poor Maradona The Last Interview is a fitting tribute to a complicated and brilliant soccer player who moved the world and changed the game of soccer forever Introduction by Roger Bennett the co host of Peacock's Men in Blazers show Toni Morrison: The Last Interview ,2020-07-07 Knowledge is what's important you know Not the erasure but the confrontation of it TONI MORRISON In this wide ranging collection of thought provoking interviews including her first and last Toni Morrison whom President Barack Obama called a national treasure details not only her writing life but also her other careers as a teacher and as a publisher as well as the gripping story of her family In fact Morrison reveals here that her Nobel Prize winning novels such as Beloved and Song of Solomon were born out of her family's stories such as those of her great grandmother born a slave or her father escaping the lynch mobs of the South With an introduction by her close friend poet Nikki Giovanni Morrison hereby weaves yet another fascinating and inspiring narrative that of herself **Johnny Cash: The Last Interview** Johnny Cash,2021-03-16 Johnny Cash seemed like the stuff of legend when he was alive and even more so as he achieved something close to sainthood in death The interviews collected here bring us closer to the actual man brilliant fallible introspective and longing for redemption Mythmaker philosopher sinner and saint Johnny Cash is perhaps the quintessential American icon Though often rebellious and unruly he rarely spoke without intention sincerity and a bit of poetry Together with an introduction by music critic Peter Guralnick the interviews here spotlight that inimitable rhetorical style and the fascinating diversity of subjects that made him as relatable as he was mysterious From a hopped up early interview with Pete Seeger to a meditation on sobriety to the last interview in which he stares calmly into the face of death this collection brings together decades of insight as deeply profound as the unforgettable baritone of The Man in Black himself J. D. Salinger: The Last Interview J. D. Salinger,2016-11-08 From the moment J D Salinger published The Catcher in the Rye in 1951 he was stalked by besotted fans would be biographers and pushy journalists In this collection of rare and revealing encounters with the elusive literary giant Salinger discusses sometimes willingly sometimes grudgingly what that onslaught was like the autobiographical origins of his art and his advice to writers Including his final surprising interview and with an insightful introduction by New York Times journalist David Streitfeld these enlightening provocative and even amusing conversations reveal a writer fiercely resistant to the spotlight but powerless to escape its glare
