ST HERMAN OF ALASKA

Dorrie Papademetriou

North Star St Herman Of Alaska

Horia Ion Groza

North Star St Herman Of Alaska:

North Star Dorrie Papademetriou, 2001 In 1794 a group of Russian orthodox missionaries landed on Kodiak Island Alaska with the intent of preaching to native Americans baptizing those who would accept the Christian life and developing for them both academic and agricultural schools Of these missionaries Father Herman lived among the Aleut people for over 40 years and earned the nickname Apa or Grandfather He was often involved with local authorities concerning the rights of local natives who were constantly violated by explorers and foreign authorities In this volume author Dorrie Papademetriou captures the essence of the monk and the world of Apa and the Aleut people comes alive in illustrations of northern lights Kodiak bears giant cabbages and angel s wings *The Illuminating Icon* Anthony Ugolnik, 1989 This is a print on demand book and is therefore non returnable In Christ there is no East or West claims a familiar hymn But the truth is that American Christians know little about Russian Orthodox Christians and harbor many misconceptions about them In this revealing book Anthony Ugolnik shows how the thousand year old Russian Orthodox tradition actively shapes the life of contemporary Russian Christians and he points out how Russian Orthodoxy can inform and enrich American Christianity Ugolnik speaks from a unique perspective of Russian descent he is an American Christian who has a strong and genuine personal bond with Russian Christians Ugolnik begins his discussion by exploring the alienation between Russians and Americans a cultural and religious alienation that is still very strong today despite changing rhetoric and glasnost Americans tend to picture Russian Christians as cowed and ragged masses on the contrary says Ugolnik they are a stalwart strong community American Christians also tend to be suspicious about the role of icons in Russian Orthodox worship But Ugolnik points out that icons are not idols rather they are religious objects that image forth the majesty of God This powerful sense of the holy that pervades Russian Orthodoxy could reinvigorate American Christianity Indeed the Russian Orthodox have much to offer American Christians according to Ugolnik They place a much greater emphasis on community in their life and worship an emphasis that could help transform the individualistic faith of many American Christians Similarly the Orthodox emphasis on historical and spiritual continuity in contrast to the imagery of restoration and revival in Reformation Christianity could strengthen the worship and witness of American Christians And the Orthodox sense of the beautiful born of a complex aesthetics that undergirds Russian faith and culture could enrich the foundation as well as the expression of American Christianity In the end American and Russian Christians share the common dilemma of how to relate to the secular world around them and the Russian Orthodox emphasis on dialogue and engagement could vitalize the way American Christians live out their faith In this multifaceted book Ugolnik weaves personal experiences with richly developed explorations of Russian and American belief and incisive observations that draw on the literature philosophy theology and history of both cultures With both passion and compassion Ugolnik urges Russian and American Christians to look to the illuminating icon of our incarnate God for guidance Let that icon draw us deep into the mystery of a shared life in the Spirit **DK Alaska** DK
