Northeast Asia Northeast Asia:

Northeast Asia Vinod K. Aggarwal, Min Gyo Koo, Seungjoo Lee, Chung-in Moon, 2008-09-26 Can regional mechanisms better institutionalize the increasing complexity of economic and security ties among the countries in Northeast Asia As the international state system undergoes dramatic changes in both security and economic relations in the wake of the end of the Cold War the Asian financial crisis and the attack of 9 11 this question is now at the forefront of the minds of both academics and policymakers Still little research has been done to integrate the analysis of security and economic analysis of changes in the region within a broader context that will give us theoretically informed policy insights Against this backdrop this book investigates the origins and evolution of Northeast Asia s new institutional architecture in trade finance and security from both a theoretical and empirical perspective **The International Relations of Northeast Asia** Samuel S.

Kim, 2003-10-07 Is Northeast Asia primed for peace or ripe for great power rivalry In this turbulent region all the world order challenges of arms control and disarmament global North South tensions human rights and humanitarian intervention environmental protection and eco development and democratization and humane governance are concentrated More than any other part of the world the divided Korean peninsula is the strategic crossroad where the four major regional global powers the United States Russia China and Japan uneasily interact This authoritative work explores the complex and evolving interplay of national regional and global forces influencing Northeast Asia s security economy and identity Written by a team of leading scholars the book presents a variety of theoretical perspectives and case studies to offer a comprehensive analysis of the pressures that shape the policy choices of China Russia Japan the United States North and South Korea and Taiwan The authors historically and culturally informed narratives help track and explain the changes and continuities of relationships within the region and with the United States and Russia Concise and current this book will be essential reading for all those concerned with the role of a changing Northeast Asia in world politics The Making of Northeast Asia Kent

Calder, Min Ye, 2010-08-16 Northeast Asia where the interests of three major nuclear powers and the world s two largest economies converge around the unstable pivot of the Korean peninsula is a region rife with political economic paradox It ranks today among the most dangerous areas on earth plagued by security problems of global importance including nuclear and missile proliferation Yet despite its insecurity the region has continued to be the most rapidly growing on earth for over five decades and it is emerging as an identifiable economic political and strategic region in its own right As the locus of both economic growth and political military uncertainty in Asia has moved further to the Northeast a need has developed for a book that focuses analytically on prospects for Northeast Asian cooperation within the context of both Asia and the Asia Pacific regional relationship This book does exactly that while also offering a more general theory for Asian institution building **The Making of Northeast Asia** Kent Calder, Min Ye, 2010-08-16 This book offers a detailed analysis of the domestic politics of regionalism in the three major nations of Northeast Asia China Japan and Korea as well as in the most

important external actor the United States **Northeast Asian Regionalism** Christopher M. Dent, David W. F. Huang, 2002-03-28 Examines both actual and potential developments in North East Asian regionalism from various levels and fields of analysis considering cooperative and integrative structures and processes Particular reference is made to the contemporary experience of Europe which provides important models of cooperation and integration in both the government and the private sector
