Northern Storm Rising Russia Iran and The Emerging End Times Military Coalition Against Israel:

Northern Storm Rising Ron Rhodes, 2008-01-01 Almost 2700 years ago the prophet Ezekiel detailed a massive end times attack against Israel. The coalition he describes is still making headlines today. Bible scholar Ron Rhodes analyzes current events in the light of biblical prophecy and empowers readers to interpret the signs of the times. Matthew 16:3. This up to date assessment of the situation in the Middle East reveals vital information about financial and political ties between the group of nations north of Israel. Muslim leaders growing antagonism toward Israel and the United States. Iran's development of nuclear weapons and the resulting threat to global security. The polarization of nations supporting extremist Islam and the rest of the world. Globalization and its role in setting the stage for a cataclysmic war. Readers will grow in their confidence in God for to Him the nations are like a drop in a bucket. Isaiah 40:15.

The End Times in Chronological Order Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events. The chapters are arranged around the major end times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user friendly chronological guide to end times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.
