Northern Delights Emma Fexeus, Sven Ehmann, Robert Klanten, 2013 If the goal were to build a house in which everyone would like to live the architect would likely be Italian the engineer maybe German the gardener probably British and the craftspeople either Swiss or Japanese The interior designer of that house though should beyond any doubt be from Scandinavia Northern Delights reveals why hardly any other interior or product design is so timeless so functional so aesthetic and of such high quality as that of Sweden Norway Finland and Denmark The book's stunning selection of Scandinavian design ranges from individual products to skillfully staged living spaces Although it also presents iconic designs the book focuses on the work of young talents who are consciously building upon local sustainable design traditions and further developing them in a way that is consistent intelligent and reflects an unerring sense of style Northern Delights showcases classic minimal rustic and pop styles that are united by their simplicity functionality and love of light The included examples show how the grains of different woods the clarity of colored glass the cheery colors of fabrics and patterns and the overall quality of craftsmanship contribute to creating simple inviting and very comfortable spaces Whether the featured work was created for residences offices or any other rooms in a Scandinavian interior everyone feels at home Northern
