Northern District United Holy Church Of America:

African-American Holiness Pentecostal Movement Sherry S. DuPree, 2013-09-13 First Published in 1996 Those of us who aspire to know about the black church in the African American experience are never satisfied We know so much more about the Christian and church life of black Americans than we did even a dozen years ago but all the recent discoveries whet our insatiable appetites to know it all That goal will never be attained of course but there do remain many conquerable worlds Sherry Sherrod DuPree set her mind to conquering one of those worlds She has persisted with the results detailed here A huge number of items are available to inform us about Holiness Pentecostal and Charismatic congregations and organizations in the African American Christian community *The Dictionary of Pan-African Pentecostalism, Volume One* Estrela Y. Alexander, 2018-06-22 This volume is the first in a series of volumes surveying the important names movements and institutions that have been significant in forging black renewal movements in various contexts worldwide In this volume the entries cover the more than 150 identifiable Holiness Pentecostal Charismatic Neo Pentecostal and quasi Pentecostal bodies within the United States and Canada In addition the dictionary contains entries on the important people places events and theological and secular issues that shaped these groups over their histories some of which go back more than a century This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism *The History of the United Holy Church of America, Inc., 1886-1986* Chester W. Gregory, 1986 [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1986](#), 1987 *African American Readings of Paul* Lisa M. Bowens, 2020-10-13 The letters of Paul especially the verse in Ephesians directing slaves to obey their masters played an enormous role in promoting slavery and justifying it as a Christian practice Yet despite this reality African Americans throughout history still utilized Paul extensively in their own work to protest and resist oppression responding to his theology and teachings in numerous often starkly divergent and liberative ways In the first book of its kind Lisa Bowens takes a historical theological and biblical approach to explore interpretations of Paul within African American communities over the past few centuries She surveys a wealth of primary sources from the early 1700s to the mid twentieth century including sermons conversion stories slave petitions and autobiographies of ex slaves many of which introduce readers to previously unknown names in the history of New Testament interpretation Along with their hermeneutical value these texts also provide fresh documentation of Black religious life through wide swaths of American history African American Readings of Paul promises to change the landscape of Pauline studies and fill an important gap in the rising field of reception history [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#), 2003 **From Aldersgate to Azusa Street** Henry H. Knight, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century

This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God s mission in the world today Contributors Corky Alexander Estrelda Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeall Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger Encyclopedia of African American Religions Larry G.
