Not My Mothers Wedding:

Not my Wedding Jolie Damman, My heart races every time I think of Nazar the man who has claimed me as his forever From the moment he chose me as his fianc e I knew my life would never be the same With an air of power and dominance that exudes from his every move Nazar a Russian billionaire is both an intimidating force to be reckoned with and an irresistible enigma whose tender heart is only revealed to those closest to him Despite the control he exerts over every aspect of my life I can t help but be drawn to him Every night I wake up breathless trapped in Nazar s steely gaze and subjected to his dominance But as time goes on I begin to see a different side of him one that is more affectionate and romantic than I ever imagined Despite his status as a sadistic mob boss he is deeply in love with me For Nazar I am the love of his life the woman he has always dreamed of I know that he has been hard on me but I can feel his desire to protect me from the dangers of his world His love is all consuming and I know I can t stop it *I'm Married But, He's Not My Husband* Mernistyne R. Cole,2006-05-09 I m Married But He s Not My Husband Are you tired of going around the mulberry bush in relationships Are you a person who has been married several times only for that marriage to end up in divorce Why do we lower our standards in relationships Is it to fill the void of loneliness There is an answer I m Married But He s Not My Husband is a book that exposes the deceits in relationships and causes us to look within ourselves to see why we do what we do The Author Mernistyne Cole shares her personal experiences and teaches how she survived two bad marriages and how she learned life lessons from each of them This book will cause you to look inside yourself and find the real you You ll know whether or not you re marriage material Come along and learn how to avoid the Momma s Boy the man who won t let his mother go his baby s momma go or his home boys go You ll also learn how to avoid Mr BB also known as Breath and Britches the cool walking tongue talking well dressed demon If you re looking for a sign read this book It may help you to determine if you are ready for a mate and assist you in identifying if your mate is already in your life For those who are already married there s help for you as well No longer do you have to be married single and divorced at the same time **The Women in the Life of the Bridegroom** Adeline Fehribach,1998 This book sheds new light on the women in the Fourth Gospel Unlike most works that approach the topic from a historical critical perspective this book approaches the topic from a historical literary perspective and attempts to illustrate for the modern reader how a first century reader would have understood the characterizations of the women given first century cultural and literary norms and the theology of the implied author The thesis of this book is that the primary purpose of the women in the Fourth Gospel is to support the portrayal of Jesus as the Messianic Bridegroom and further the plot of Jesus giving the people the power to become children of God John 1 12 This historical literary analysis exposes a highly androcentric and patriarchal text which leads the author in the end to question current assumptions that behind the text exists a community or school whose egalitarianism extended to women
