McQuail,2018-02-14 New Zealand author Janet Frame 1924 2004 during her lifetime published 11 novels three collections of short stories a volume of poetry and a children s book The details of her life her tragic early years her confinement in a psychiatric hospital and her miraculous reprieve overshadow her work and she remains largely neglected by scholars These essays focus on Frame s autobiography short stories and novels Contributors from around the world explore a range of topics including her mother s Christadelphian faith her relationships with two 20th century icons William Theophilus Brown and John Money and a view of Frame in the context of trauma studies Two of the essays were presented at the 2014 Northeast Modern Language Association convention **The erotic museum of Berlin** Hans-Jürgen Döpp,2021-06-30 Berlin once perceived of as a

puritan city became in the 1920 s the capital of lust and the decadence of morals It is in this capricious town that an exceptional museum entirely dedicated to eroticism opened its doors Abandoning all aspects of voyeurism the Erotic Museum in Berlin is a magical place where the imagination of man and the most refined works of art interact This remarkable book is comprised of more than 350 rare illustrations and accompanied by a major study written by the history professor Hans J rgen D pp It covers different aspects of erotica throughout time and continents Out of Eden Paul W. Kahn,2024-11-01 In Out of Eden Paul W Kahn offers a philosophical meditation on the problem of evil He uses the Genesis story of the Fall as the starting point for a profound articulation of the human condition Kahn shows us that evil expresses the rage of a subject who knows both that he is an image of an infinite God and that he must die Kahn s interpretation of Genesis leads him to inquiries into a variety of modern forms of evil including slavery torture and genocide Kahn takes issue with Hannah Arendt s theory of the banality of evil arguing that her view is an instance of the modern world s lost capacity to speak of evil Psychological social and political accounts do not explain evil as much as explain it away Focusing on the existential roots of evil rather than on the occasions for its appearance Kahn argues that evil originates in man s flight from death He urges us to see that the opposite of evil is not good but love while evil would master death love would transcend it Offering a unique perspective that combines political and cultural theory law and philosophy Kahn here continues his project of advancing a political theology of modernity **Encyclopedia of Lesbian Histories and Cultures** Bonnie Zimmerman,2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Juvenile Sexuality, Kabbalah, and Catholic Reformation in Italy** Roni Weinstein,2009 This detailed introduction to the text Tiferet Bachurim The Glory of Youth written in the mid seventeenth century in Ferrara Italy discusses the profound changes in Jewish Italian communities regarding sexuality control of the juvenile body and the role of Kabbalah in The Jewish Counter Reformation **Becoming Modern Women** Michiko Suzuki,2009-11-10 Presenting a fresh examination of women writers and prewar ideology this book breaks

new ground in its investigation of love as a critical aspect of Japanese culture during the early to mid twentieth century As a literary and cultural history of love and female identity *Becoming Modern Women* focuses on same sex love love marriage and maternal love new terms at that time in doing so it shows how the idea of woman within the context of a vibrant print culture was constructed through the modern experience of love Author Michiko Suzuki s work complements current scholarship on female identities such as *Modern Girl* and *New Woman* and interprets women s fiction in conjunction with nonfiction from a range of media early feminist writing sexology books newspapers bestselling love treatises native ethnology and historiography While illuminating the ways in which women used and challenged ideas about love Suzuki explores the historical and ideological shifts of the period underscoring the broader connections between gender modernity and nationhood

Health Visiting Anne Robotham, Marion Frost, 2005-08-29 This book is an essential resource for health visiting students that reflects the key changes required of health visiting practice at the beginning of the new millennium It is a key text for specialist practitioner programmes and also for existing practitioners who are furthering their practice and academic development It brings together the elements of theory and practice which are essential to health visiting practice The book is research based and uses relevant evidence to support discussions A particular strength is the use of case studies and practice examples to illustrate the theoretical discussions Comprehensive coverage of all areas of health visiting practice will give the new practitioner confidence Case studies help to relate the theory to practice The up to date evidence base includes the latest research The wide range of contributors ensures that the content is written by experts in their field Coverage of aggression and violence the needs of ethnic minorities and complementary therapies reflects the growing role of the HV in relation to contemporary issues Fully updated throughout to reflect changes in practice including re organisation of the health care service changes in social policy child protection and nurse prescribing New chapters on Working with individuals and families Working with social groups and communities Working with socially excluded groups Quality improvement through leading and managing change and Nurse prescribing Content reorganised to reflect changes in emphasis of various issues in practice Addition of useful websites for further information
